

Amber Trails Community School June Newsletter

Dear Parents,

As this school year is coming to an end, we want to extend our heartfelt thanks to all of you for your support, trust, and co-operation . It has truly been a pleasure working with your children and watching them learn and grow in confidence, knowledge, and creativity.

This year has been filled with many memorable moments and your involvement and participation has helped make it all possible. Whether it is volunteering , helping with homework, attending events, or simply encouraging your child along the way, your efforts have always made a positive and lasting impact.

We are all proud that our students have accomplished and are grateful to have shared this journey with such a supportive community of families.

Wishing you a relaxing, safe, and happy summer. We look forward to seeing you again in the new school year!

Treaty
Day
celebration

Amber Trails Community School operates on the ancestral land of Anishinaabe, Ininewak, Anishinin, Dene, and Dakota peoples, and on the homeland of the Metis Nation.

I am a guest of the Treaty 1 territory. I am grateful to Shoal Lake First Nation for providing us with fresh water. I am very responsible for respecting the resources, crops, animals, and the trees. I am also very grateful for the sacrifices made by the animals, and people for us.

Without treaties I would have not been able to come living in this beautiful place from my homeland.

Moving forward, I will continue to respect this land with kindness and responsibility.

Written by: Uhna

Our session we have prepared for you, is a **treaty activity**, this activity is a group effort art where you will have to prepare your own promise on a paper hand which you will have to create and write a **promise**, when put all together it will be a **tree-tea** made from your promises.

Grade 4 & 5 Track and Field

K-5 TABLOID DAY
