(just before Thanksgiving)

Step 1: Visit **www.peakfarmtoschool.com** and click on **BUY A BUNDLE** from the Menu. Hit **CLICK HERE TO PURCHASE** and select the quantity of the bundle you would like to order and click on **Add to Cart**. Select Continue Shopping if you would like to add multiple bundle types. *Be sure to click **Update Cart** to reflect changes to the quantity.

NOTE; you can have your customers buy their orders individually OR collect the orders & payment and make one large order under your name and have your friends & family pay you directly in cash or by etransfer

Step 2: When you have ordered all of your bundles, click on **Continue to Check Out** to pay.

Step 3. Use the drop down menus to select the **Province**, and then **Garden City Collegiate** from School/Daycare/Organization menu. Be sure that you tell your customers the correct spelling of the Student's name responsible for the order with grade level (ie. Saundra Lubkey gr9) so that the profit can be traced back to you!! Checking "Community Order" will send the profits to the school and not to you.

Step 4. Enter Billing and Payment Info, once done click on **Review Order**. If you spot an error, click **BUY A BUNDLE** to go back and make changes and then hit **Update Cart**. Once you are satisfied everything is correct proceed to **Place Order**.

Step 5. You will see an **ORDER COMPLETE** screen with your order number and an email will be sent to you confirming your order details. ***Please print or save a copy of this email until you have received your order.***

On delivery day, PLEASE make transportation arrangements to pick up all of your Veggie Bundles between 2:30 & 4:30pm and deliver them to your customers. Fresh veggies can not stay here overnight and still look fresh for your customers!
