

Bonjour familles de la salle 300,

We hope you and your children have had a wonderful summer!

We are writing to provide you with an update regarding the staffing of your child's classroom. At this time, Madame Janssen and Monsieur Bachir will be sharing responsibility for the class until at least the end of December.

Throughout this period, both teachers will work collaboratively to plan instruction, support student learning, and maintain consistent communication with families. Their shared approach will help ensure continuity in programming and a positive learning environment for all students.

At this time, the schedule will be as follows; Madame Janssen will teach on days 2, 4, and 6. Monsieur Bachir will teach days 1, 3, and 5.

Should there be any changes to this arrangement, we will communicate them to families as soon as possible.

We are confident that this collaborative teaching model will provide students with a supportive and engaging learning experience. Thank you for your understanding and partnership as we begin the school year.

If you have any questions, please do not hesitate to contact the school.
