Bonjour familles de l'École Rivière-Rouge,

We are grateful for the many parents and family members who give their time to support our students and school community. Whether you volunteer in classrooms, on field trips, at school events, or with special activities, your involvement makes a meaningful difference.

Aspart of our commitment to providing a safe, respectful, and inclusive environment for all students, all volunteers are required to complete the **Respect in School** online training before volunteering at the school. This training helps volunteers understand how to recognize, prevent, and respond to bullying, abuse, harassment, and discrimination. It is specifically designed for individual who interact with students, including parent volunteers.

The training can be accessed online at: https://school.respectgroupinc.com/

If you have already completed the training, it is good for 2 years, so ensure you are up to date. If you are new to the program, you can register and complete the training through the website. It takes approximately 1.5 hours to complete.

We also invite you to look at our school plan and code of conduct.

Avec COEUR,

Mme Laprise	Mme Cabral

School Plan

2026-2027

Together We Are Stronger

VISION

Together, we envision a school where every member of our community feels respected, heard, and free to thrive to reach their full potential. We strive to foster a caring and engaging environment that develops proud, curious, and multilingual citizens.

MISSION

Our mission is to provide a rich French-language environment where joy, respect, and collaboration flourish. With heart, we nurture the citizens of tomorrow through empathy and authenticity, preparing them to meet the challenges of an ever-changing world.

Our Priorities for the 2026-2027 School Year

At Rivière-Rouge School, we teach and recognize the importance of leading with heart. We believe that every member of our community has a role to play in creating an environment where diversity is valued, injustices are acknowledged, and everyone can thrive to their fullest potential.

Collaboration

- Develop meaningful and authentic partnerships with families, Elders, Knowledge Keepers, and community organizations to enrich learning opportunities and strengthen relationships based on mutual respect.
- Encourage teamwork among students and staff to improve numeracy and multiliteracy. Foster professional collaboration to share effective teaching practices.

Joy

- Foster a warm and caring school climate that nurtures the joy of living in French, linguistic pride, and academic success.
- Encourage a love of learning through discovery, creativity, and connections with nature.

Empathy

- Deepen our understanding of Indigenous realities, histories, and perspectives by engaging in truth, reconciliation, and meaningful action.
- Develop social-emotional skills that enable students to listen, understand, and respect the lived experiences of others.
- Recognize the impacts of racism, prejudice, and discrimination, and learn to act as allies in promoting equity and inclusion.

Authenticity

- Take pride in our identity, language, and aspirations within a safe, inclusive, and welcoming environment where academic excellence supports personal growth.
- Develop students' critical thinking and leadership skills so they become independent and engaged learners.

Respect

- Foster engaged citizens who protect the land and practise reciprocity toward others and nature.
- Develop responsible citizens by maintaining high expectations for learning, behaviour, and effort.

Student Code of Conduct

Working Together

Creating a safe and caring school is a shared responsibility. When schools and families work together, students are best supported.

Our School Mission

Our mission is to offer a rich French-language environment where **joy, respect,** and **collaboration** prevail. With heart, we nurture the citizens of tomorrow with **empathy** and **authenticity**, preparing them to face the challenges of the world.

Our Commitment

École-Rivière Rouge is committed to providing a **safe, caring, respectful, and inclusive learning environment** where every student feels a sense of belonging. We believe that positive relationships, clear expectations, and supportive responses help students learn and grow.

All students, staff, families, and visitors are expected to act in ways that support the well-being, dignity, and safety of others. Violence of any kind is not tolerated. This includes vengeance and retaliation. While disagreements and challenges can arise, students are expected to use safe, respectful strategies to manage conflict.

Respectful Behaviour

At École-Rivière Rouge, we ask that everyone:

- Treat others with kindness, respect, and fairness
- Use respectful language and actions, in person and online
- Take responsibility for their behaviour
- Help create a welcoming, safe, and inclusive school community

Unacceptable Behaviour

Behaviour that interferes with the safety, well-being, or dignity of others will result in school intervention and support. This includes:

- Verbal, physical, emotional, psychological, or sexual harm
- Bullying, cyberbullying, or using harmful AI generated content
- Discrimination or intimidation based on personal characteristics protected under human rights legislation
- Making threats toward others, including threats to hurt someone or damage property, whether said seriously or as a joke
- Spreading rumors

Responding to Unacceptable Behaviour

When concerns arise, the school uses a progressive, supportive, and restorative approach. Responses are based on:

- The age, development, and individual needs of the student
- The context and impact of the behaviour
- Staff/student safety and well-being

These student-centered approaches may include:

- Conversations with staff
- Restorative discussions and learning opportunities
- Behaviour support plans
- Involvement of families

- Natural consequences and/or apologies
- Temporary removal of privileges
- Consultation with school team and divisional support teams
- Request for a parent/guardian to pick up the student
- Suspension, when required by policy

Our goal is always to **teach, support, and guide students**, not simply to punish.

Equity, Inclusion, and Privacy

École-Rivière Rouge values diversity and is committed to equity and inclusion. We take care to protect the privacy, dignity, and safety of all students and families.

This Student Code of Conduct has been developed in accordance with **The Public Schools Act (PSA)**, the **Appropriate Disciplinary Consequences in Schools Regulation (M.R. 92/2013)**, and the *Safe and Caring Schools: Provincial Code of Conduct (2025)*, and will be revisited yearly.
