Chères familles de la salle 202,

We would like to share an update regarding your child's classroom.

First, we would like to sincerely thank Mme Hawrylyshen for the wonderful support she has provided to our students while their classroom teacher has been on leave. We are very grateful for her dedication, flexibility, and care for our students.

As planned, Mme Hawrylyshen will now be returning to retirement.

As Mme Valdez remains away from the classroom, we are pleased to welcome Mme Mary Rose Axalan to the class. She is excited to join our school community and looks forward to getting to know the students and families. To ensure a smooth and seamless transition, Mme Mary Rose is currently working alongside Mme Hawrylyshen in the classroom. Mme Mary Rose will remain with the class until Mme Valdez's return; however, we do not yet have a confirmed return date.

Mme Sara, our Learning Support Teacher, has been and will continue to be a regular presence in the classroom, working closely with Mme Mary Rose and the students. Since the beginning of the school year, Mme Sara has played a key role in supporting student learning, assessments, and instructional planning. Because of her ongoing involvement with the class, she will be writing report cards and meeting with families during conferences on November 26 and 27.

Mme Mary Rose will also attend the conferences alongside Mme Sara and looks forward to meeting families in person.

We recognize that students have experienced several staffing changes this year, and we want to reassure you that our team has been working closely together to provide a stable, caring, and consistent learning environment. With the support of Mme Mary Rose, Mme Sara, and our school team, we are confident that students will be supported, connected, and successful.

Thank you for your continued partnership, trust, and support.

Merci,

Mme Laprise & Mme Cabral
