Michelle Reimer - Vice-Principal Elliot Macdonald - Vice-Principal

For the week of April 25th – May 1st, 2026

Career Ready Registration for 2026-2027, Now Open!

Career Ready registration is open for next year. There are a variety of programs for both grade 12 students and post-graduates looking to gain employability skills, learn and continue their education in an area of interest. Please see the link for more information about each of the programs offered. <https://www.7oaks.org/career-ready>

Student Attendance Update

In addition to notifying families when students are absent from class, parents will receive an email notification when students are late for a class. Through Parent Connect, under the tab labelled “Attendance” you can see if your child was marked “A” for absent or “T” for tardy/late. If you have questions about your child’s attendance record, please contact our office or your child’s teacher.

Student Vacations/Leaves for 3 days or more

Please keep in mind that our school **does not** offer virtual or distance learning options for students who are away for extended holidays. Therefore, it is the student’s responsibility to catch up on any missed assignments, assessments, and class content upon their return. **We encourage students and families to communicate directly with their teachers before the absence to discuss the material that will be missed and how to best prepare for their return, this is best done by completing the Student Leave of Absence form/Vacation form.**

Daycare Parking Lot Reminder

The traffic loop located near the daycare is designated specifically for daycare families to safely drop off and pick up their children. To ensure the safety of all students and community members, we ask that high school parents refrain from using the daycare loop for any drop-off or pick-up purposes
