For the week of January 19th – January 23rd, 2026

Math Provincial Assessments, Starting January 20th

Provincial Math Exams for Grade 12 are scheduled for the following days:

- **Applied Math – January 20th, 2026**
- **Essential Math – January 21st, 2026**
- **Pre-Calculus – January 22nd, 2026**

Parents are invited to contact their student's classroom teacher if you have any questions about the Provincial Exams

WKC Winter Dance Showcase – January 21st, 6:30pm

All are invited to the final Dance Showcase of Semester 1! The show starts at 6:30pm at the Seven Oaks Performing Arts Centre located at 711 Jefferson Ave. No ticket is required as we will have a Silver Collection for admission. Please see the attached ad for further information.

Winnipeg Police Service Presentation

We invite families to an important parent session on Thursday, January 22 at 6:00 pm at West Kildonan Collegiate. The Winnipeg Police Services Internet Child Exploitation Unit will be joining us to present on sextortion, online exploitation, and how these issues impact students. Practical strategies to support your child and their well-being will be shared. This presentation is mostly geared towards parents, and if desired they will be developing a student-based presentation for assemblies. Please email westk@7oaks.org to confirm your attendance, if you have not done so already.

Post-Secondary Open House Information

Grade 11 students interested in visiting either the University of Manitoba OR the University of Winnipeg to learn more about post-secondary options are invited to sign up to visit the university during their winter open house.

Students can attend one of the two open houses:

University of Winnipeg - Wednesday, February 18 (periods B and C)

University of Manitoba - Thursday, February 19 (periods B and C)

If interested, please pick up a form in Student Services and return as soon as possible as space is limited and will be on a first come first serve basis.

If you are interested in learning more about what RRC Polytech offers, there is an open house at both campuses on Wednesday, Feb 18th from 5 - 8 PM.

Daycare Parking Lot Reminder

The traffic loop located near the daycare is designated specifically for daycare families to safely drop off and pick up their children. To ensure the safety of all students and community members, we ask that high school parents refrain from using the daycare loop for any drop-off or pick-up purposes.

Student Vacations/Leaves for 3 days or more

Please keep in mind that our school **does not** offer virtual or distance learning options for students who are away for extended holidays. Therefore, it is the student's responsibility to catch up on any missed assignments, assessments, and class content upon their return. **We encourage students and families to communicate directly with their teachers before the absence to discuss the material that will be missed and how to best prepare for their return, this is best done by completing the Student Leave of Absence form/Vacation form.**

Student Attendance Update

In addition to notifying families when students are absent from class, parents will receive an email notification when students are late for a class. Through Parent Connect, under the tab labelled "Attendance" you can see if your child was marked "A" for absent or "T" for tardy/late. If you have questions about your child's attendance record, please contact our office or your child's teacher.

Driver's Z

Our school acts as a location for Driver's Z, but unfortunately, we do not run the program. If you are looking for more information about Drivers Z, such as schedules and how to sign your student up, please use this link for more information: <https://www.mpi.mb.ca/driver-z/>

Looking Ahead.....

January Final Assessments

January Final Assessments are taking place from Monday, January 26th to Thursday, January 29th, 2026, and there are no classes scheduled for this week. (Students should only be in the building in the afternoon if they have been invited by a teacher for Course Completion).

On January 14th students had a brief meeting with TAG teachers in which they were given their Semester 2 schedule and TAG teachers went through the Exam schedule with students, as well as gave students an Exam Timetable worksheet in which students were to write exam times and locations on.

**** Please note that some exams may be scheduled to last longer than on the attached exam schedule or be happening at a different time than listed due to the volume of students needing to be assessed. Please have your students confirm with their teachers the exam date and times! ****

There will be no classes scheduled for Friday, January 30th to allow for additional course completion. Due to a division-wide PD Day on Monday, February 2nd there will be no classes scheduled on that day.

Semester 2 starts February 3rd, 2026 – School Day 2
