January Final Assessments

January Final Assessments are taking place from Monday, January 26th to Thursday, January 29th, 2026, and there are no classes scheduled for this week. (Students should only be in the building in the afternoon if they have been invited by a teacher for Course Completion).

On January 14th students had a brief meeting with TAG teachers in which they were given their Semester 2 schedule and TAG teachers went through the Exam schedule with students, as well as gave students an Exam Timetable worksheet in which students were to write exam times and locations on.

*** Please note that some exams may be scheduled to last longer than on the attached exam schedule or be happening at a different time than listed due to the volume of students needing to be assessed. Please have your students confirm with their teachers the exam date and times! ***

There will be no classes scheduled for Friday, January 30th to allow for additional course completion. Due to a division-wide PD Day on Monday, February 2nd there will be no classes scheduled on that day.

Semester 2 starts February 3rd, 2026 – School Day 2

Assessment Week Busing

Please note that there will be no special busing for assessment week. **All buses will be running their regular routes unless otherwise posted by Transportation.**

Student Vacations/Leaves for 3 days or more

Please keep in mind that our school **does not** offer virtual or distance learning options for students who are away for extended holidays. Therefore, it is the student's responsibility to catch up on any missed assignments, assessments, and class content upon their return. **We encourage students and families to communicate directly with their teachers before the absence to discuss the material that will be missed and how to best prepare for their return, this is best done by completing the Student Leave of Absence form/Vacation form.**

Daycare Parking Lot Reminder

The traffic loop located near the daycare is designated specifically for daycare families to safely drop off and pick up their children. To ensure the safety of all students and community members, we ask that high school parents refrain from using the daycare loop for any drop-off or pick-up purposes.

Student Attendance Update

In addition to notifying families when students are absent from class, parents will receive an email notification when students are late for a class. Through Parent Connect, under the tab labelled "Attendance" you can see if your child was marked "A" for absent or "T" for tardy/late. If you have questions about your child's attendance record, please contact our office or your child's teacher.
