West Kildonan Collegiate's Production: *Radium Girls* – Dec. 2nd & 3rd

In the glittering 1920s, radium was hailed as a miracle cure and painting luminous watch dials was a dream job for young women looking to make their mark. That dream quickly turns into a nightmare as the factory's painters begin falling mysteriously ill, uncovering a dark corporate cover-up that puts profits ahead of human lives. Inspired by a shocking true story, *Radium Girls* is a powerful, fast-paced drama about courage, betrayal, and the ordinary women who risked everything to take on a corporate giant and win.
