Student Attendance Update

In addition to notifying families when students are absent from class, parents will receive an email notification when students are late for a class. Through Parent Connect, under the tab labelled “Attendance” you can see if your child was marked “A” for absent or “T” for tardy/late. If you have questions about your child’s attendance record, please contact our office or your child’s teacher.

Student Vacations/Leaves for 3 days or more

Please keep in mind that our school **does not** offer virtual or distance learning options for students who are away for extended holidays. Therefore, it is the student’s responsibility to catch up on any missed assignments, assessments, and class content upon their return. **We encourage students and families to communicate directly with their teachers before the absence to discuss the material that will be missed and how to best prepare for their return, this is best done by completing the Student Leave of Absence form/Vacation form.**
