PARENT/TEACHER INTERVIEWER

The purpose of ***Parent Connect Interview*** is to give parents the opportunity to sign up for Parent/Teacher interviews online, based on pre-set dates and times. You will be notified of the date when you will be able to access the Interview function on ***Parent Connect*** prior to November and March Parent/Teacher/Student Conferences.

Click on the **Interview** tab to view and/or edit interview times. To avoid disappointment, book early. (OR IVIEW OR PTI TAB)

The top left indicates student(s) and guardian(s). If you are a guardian or parent for more than one student, use drop-down button to select the appropriate student you want to schedule the interview for.

Once you select the date, time and teacher in the left table, the table on the right side of the screen will confirm what has been scheduled and will include all students in your family and the times selected.

Note: To see more dates/times, click on Next.

You may use the 'Limit to Date' and 'Start'/Stop' for specific dates and times. For example, if you are only free for one evening, limit to this evening and the teachers' schedule for that time period will appear.

To see a more reader-friendly copy of your booked appointments, use the <Print> button to create a PDF copy. If you have more than one student, it will print each student on a separate page.

Contact the school at any time for assistance with ***Parent Connect***.
