No School – November 3rd

Grade 9's Take Your Kid to Work Day – November 4th

Take Our Kids to Work (TOKTW) invites **students in Grade 9** to explore careers and employment by spending time in the workplace of a parent, caregiver or sponsor. This event supports career development education and future readiness. Each year, many schools and school divisions participate to allow young people to experience Manitoba's work community. Grade 9 families, please make sure to complete the online form **before** Take Your Kid to Work Day on **November 4th**! (That is the only requirement for participation in this event) All families need to fill out the online form informing us where their student will be for the day at the following link:
https://forms.office.com/r/AS9YwSEetS

- For those who cannot attend an in-person visit and will be staying home, there will be an all-day virtual event, led by the Students Commission of Canada, featuring live presentations, interactive sessions, and expert interviews. This event will allow students to explore various careers and ask questions in real-time. Participation doesn't need to be all day, if that's not possible. It can also be with a trusted adult outside your home.
    - More information will be released closer to event regarding the online day. The link for students at home: https://www.studentscommission.ca/events/tokw-home/#

Picture Day Retakes – November 5th (AM only)

If your student missed Picture Day in September, they are able to have them taken in the Library on Nov. 5th in the morning. If your student would like to have their picture re-taken, please have them bring their original proofs with them when they go to the library on November 5th.

Student Vacations/Leaves for 3 days or more

Please keep in mind that our school **does not** offer virtual or distance learning options for students who are away for extended holidays. Therefore, it is the student's responsibility to catch up on any missed assignments, assessments, and class content upon their return. **We encourage students and families to communicate directly with their teachers before the absence to discuss the material that will be missed and how to best prepare for their return, this is best done by completing the *Student Leave of Absence form/Vacation form*.**

Student Pick up/Drop off Reminder

To ensure the safety of all students and community members, we ask that high school parents refrain from using the daycare loop for any drop-off or pick-up purposes. As well, please refrain from using the Staff Parking lot and Bus Loop in front of the school for Student Pickup/Drop off as we have had a few close calls with staff and students almost being injured by vehicles.

Our school acts as a location for Driver's Z, but unfortunately, we do not run the program. If you are looking for more information about Drivers Z, like schedules and how to sign up, please use this link for more information: https://www.mpi.mb.ca/driver-z/
