September 8, 2026

Dear Seven Oaks families,

Welcome to a new school year in Seven Oaks School Division. We're excited for another year of learning in our schools, and for working closely with you along the way. This year, over 1,600 staff will support a growing enrolment of 12,600 students. Our priority is to welcome students into classrooms where they are known, so they can flourish and reach their potential.

This year also marks the opening of École Mino Pimatisiwin in the Aurora neighbourhood, welcoming over 500 students in grades K-6. Thank you to everyone who worked to get the school ready for its first day.

The first weeks bring new classrooms, teachers, support staff, classmates, and routines. Change takes adjustment. That's normal, and children settle in at their own pace. We know that home and school working together makes a difference, and our staff are here to listen.

K-8 staff are holding orientation sessions starting today to help ease the start of the year. Grade 9-12 students will begin by meeting their teacher advisor this week to set a good tone for the year ahead.

Welcome back families and students to a new school year!

Sincerely,

Tony Kreml
Superintendent
Seven Oaks School Division
