INDEPENDENT AUDITORS' REPORT

To the Board of Trustees

We have audited the accompanying consolidated financial statements of Seven Oaks School Division, which comprise the consolidated statement of financial position as at June 30, 2018, the consolidated statements of revenue, expenses and accumulated surplus, change in net debt and cash flow for the year then ended, and notes, comprising a summary of significant accounting policies and other explanatory information. These consolidated financial statements have been prepared to comply with the Public Schools Act.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements present fairly, in all material respects, the consolidated financial position of Seven Oaks School Division as at June 30, 2018, and its consolidated results of operations, its consolidated change in net debt and its consolidated cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Other Matters

Our audit was made for the purpose of forming an opinion on the consolidated financial statements taken as a whole. The supplementary information included in the other statements and reports is presented for purposes of additional analysis and is not a required part of the consolidated financial statements. Such information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and, in our opinion, is fairly stated in all material respects in relation to the consolidated financial statements taken as a whole.

Independent Reasonable Assurance Report to the Board of Trustees of Seven Oaks School Division Regarding the EIS Enrolment File Verification Report

We were engaged by the Management of Seven Oaks School Division to provide a reasonable assurance conclusion on the EIS Certification and Enrolment Report- "IS EIS CERT-Part 2 of 2" (the 'Enrolment Information") as at September 30, 2017, a copy of which is attached to this report, as to whether the enrolment information is prepared, in all material respects, in accordance with Criteria established by the Manitoba Education and Training School's Finance Branch and detailed in the Criteria of Part I, Sections 1.1 and 1.2 of the Public Schools Enrolment and Categorical Grants Reporting for the 2017/2018 School Year (the "Criteria"). Our examination addressed the following specific matters, established by the Criteria:

- · Whether the reports were appropriately signed; and
- Whether the headcount in the Enrolment Information have been accurately reported in accordance with the administrative requirements and reporting Criteria described in the Criteria.

Responsibilities of Management of Seven Oaks School Division

Management at Seven Oaks School Division is responsible for preparing and presenting the Enrolment Information that is free from material misstatement, in accordance with the Criteria, and for the information contained therein. This responsibility includes designing, implementing and maintaining internal control relevant to the preparation and presentation of the Enrolment Information that is free from material misstatement whether due to fraud or error, applying the Criteria, making estimates and judgments that are reasonable in the circumstances and for maintaining adequate records in relation to the Enrolment Information.

Management also is responsible for preventing and detecting fraud and for identifying and ensuring that the entity complies with laws and regulations applicable to its activities.

Management is responsible for ensuring that staff involved with the preparation and presentation of the Enrolment Information are properly trained, information systems are properly updated and that the reports encompass any changes in reporting.

Our Responsibilities

Our responsibility is to examine the Enrolment Information prepared by Seven Oaks School Division and to report thereon in the form of an independent reasonable assurance conclusion based on the evidence obtained. We conducted our engagement in accordance with Canadian Standard on Assurance Engagements (CSAE) 3000 Assurance Engagements Other Than Audits or Reviews of Historical Financial Information issued by the Canadian Auditing and Assurance Standards Board. That standard requires that we plan and perform our procedures to obtain reasonable assurance about whether the Enrolment Information is properly prepared, in all material respects, in accordance with the requirements set out in the Criteria.

The firm applies Canadian Standard on Quality Control 1 and accordingly maintains a comprehensive system of quality control including documented policies and procedures regarding compliance with ethical requirements, professional standards and applicable legal and regulatory requirements.

We have complied with the relevant rules of professional conduct applicable to the practice of public accounting and related to assurance engagements, issued by Chartered Professional Accountants Manitoba, which are founded on fundamental principles of integrity, objectivity, professional competence and due care, confidentiality and professional behaviour.

The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the Enrolment Information, whether due to fraud or error.

In making those risk assessments, we have considered internal control relevant to the preparation of the Enrolment Information in order to design assurance procedures that are appropriate in the circumstances, but not for the purposes of expressing a conclusion as to the effectiveness of Seven Oaks School Division's internal control over the preparation of the Enrolment Information. Our engagement also included: assessing the appropriateness of the Enrolment Information, the suitability of the Criteria in preparing the Enrolment information in the circumstances of the engagement, obtaining an understanding of the compilation of the head count in the Enrolment Information by enquiry of management, reference to the Criteria, comparison of the underlying data in the Enrolment Information to the sources from which it was obtained and re-computation of the calculations in the Enrolment Information. Reasonable assurance is less than absolute assurance.

Conclusion

Our conclusion has been formed on the basis of, and is subject to, the matters outlined in this report.

We believe that the evidence we have obtained is sufficient and appropriate to provide a basis for our conclusion.

In our opinion, the Enrolment Information for 2017-18 has been properly prepared, in all material respects, addressing the following specific matters, established by the Criteria.

- Whether the reports were appropriately signed; and
- Whether the headcount in the Enrolment Information have been accurately reported in accordance with the administrative requirements and reporting Criteria described in the Criteria.

In accordance with the terms of our engagement, this independent reasonable assurance report on the Enrolment Information has been prepared for Seven Oaks School Division and the Manitoba Education and Training School's Finance Branch solely in connection with the Regulatory Requirement and for no other purpose or in any other context.

The Enrolment Information has been evaluated using the Criteria. The Criteria has been developed by the Manitoba Education and Training School's Finance Branch only for the purposes of preparation of the Enrolment Information and may not be considered suitable for any other party or in any other context. As a result, the Enrolment Information may not be suitable for another purpose.

Notes to Consolidated Financial Statements

Year ended June 30, 2018

1. Nature of organization and economic dependence:

Seven Oaks School Division (the Division), is a public corporate body that provides educational programming to residents within its geographic location. The Division is funded mainly by grants from the Province of Manitoba (the Province), and a special levy on the property assessment included in the Division's boundaries. The Division is exempt from income tax under the *Income Tax Act*.

The Division is economically dependent on the Province for the majority of its revenue and capital financing requirements. Without this funding, the Division would not be able to continue its operations.

2. Significant accounting policies:

The significant accounting policies of the Division include:

(a) Reporting entity and consolidation:

The Division's reporting entities are comprised of the Division and school generated funds.

The consolidated financial statements reflect the assets, liabilities, revenues and expenditures of the Division's Operating Fund, Capital Fund, and Special Purpose Fund.

(b) Basis of accounting:

These consolidated financial statements are prepared by management in accordance with generally accepted accounting principles established by the Canadian Public Sector Accounting Board (PSAB). Revenues and expenditures are reported on the accrual basis of accounting. The accrual basis of accounting recognizes revenues as they are earned and measurable; expenditures are recognized as they are incurred and measurable as a result of the receipt of goods and services acquired in the period whether or not payment has been made or invoices received.

Notes to Consolidated Financial Statements (continued)

Year ended June 30, 2018

2. Significant accounting policies (continued):

(c) Trust funds:

The Division administers various trust funds. Trust funds and their related operations are not included in the consolidated financial statements as they are not owned or controlled by the Division.

The Division holds funds in trust (amounts contributed in trust) for the following organizations:

| Maples Youth Activity Centre Kildonan Youth Activity Centre Seven Oaks BAG Program Teenage Bear Drumming Group | \$ 30,106 (11,913) 9,230 8,019 |
|--|--|
| | \$ 35,442 |

The amounts contributed by the Division will be reimbursed by these organizations.

(d) Fund accounting:

The Division records financial transactions in separate funds as defined by Financial Reporting and Accounting in Manitoba Education (FRAME).

The Operating Fund is maintained to record all the day to day operating revenues and expenditures. The Capital Fund is used to account for the acquisition, amortization, disposal and financing of capital assets. The Special Purpose Fund is used to account for school generated funds controlled by the Division.

(e) Deferred revenue:

Certain amounts are received pursuant to legislation, regulation or agreement and may only be used in the conduct of certain programs or in the delivery of specific services and transactions. These amounts are recognized as revenue in the fiscal year the related expenditures are incurred or services performed.

Notes to Consolidated Financial Statements (continued)

Year ended June 30, 2018

2. Significant accounting policies (continued):

(f) Tangible capital assets:

Tangible capital assets are non-financial assets that are used by the Division to provide services to the public and have an economic life beyond one fiscal year. Tangible capital assets include land, buildings, buses, other vehicles, furniture and equipment, computers, capital leases, leasehold improvements, and assets under construction.

To be classified as tangible capital assets, each asset other than land must individually meet the capitalization threshold for its class as prescribed by FRAME.

| Asset description | talization hreshold | Estimated useful life (years) |
|---|--|---|
| Land improvements Buildings - bricks, mortar and steel Building - wood frame School buses Vehicles Equipment Network infrastructure Computer hardware, services and peripherals Computer software | \$ 50,000 50,000 50,000 50,000 10,000 10,000 25,000 10,000 | 10 40 25 10 5 5 10 4 |
| Furniture and fixtures Leasehold improvements | 10,000 10,000 25,000 | 10 Over term of the lease |

With the exception of certain buildings, all tangible capital assets are recorded at historical cost.

Buildings are recorded at historical cost when known. For buildings acquired prior to June 30, 2005 where the actual cost was not known, the replacement value for insurance purposes as at June 30, 2005 was regressed to the date of acquisition using a regression index based on Southam and CanaData construction cost indices.

Tangible capital assets are amortized on a straight-line basis over their estimated useful lives as prescribed by FRAME. Land is not amortized.

Assets under construction are not amortized until the date of substantial completion. Interest on funds used to finance school buildings under construction is capitalized for the periods preceding the date of substantial completion.

2. Significant accounting policies (continued):

(g) Employee future benefits:

The Province of Manitoba pays the employer portion of the Teachers' Retirement Allowances Fund (TRAF), the pension plan for all certified teachers of the Division. The Division does not contribute to TRAF, and no costs relating to this plan are included in the Division's consolidated financial statements.

However, the Division provides retirement and other future benefits to its employees. These benefits include pension and supplemental unemployment benefits.

The Division adopted the following policies with respect to accounting for these employee future benefits:

(i) Defined contribution plan:

The Division provides retirement benefits to its administrative employees through a defined contribution plan under the Manitoba School Boards Association Pension Plan (MSBA). Under this plan, specific fixed amounts are contributed by the Division each period for services rendered by the employees. No responsibility is assumed by the Division to make any further contributions.

(ii) Self-insured employee future benefits plan:

For those self-insured benefit obligations that are event driven (e.g. supplemental unemployment benefits; non-vesting parental leave), the benefit costs are recognized and recorded only in the period when the event occurs.

(iii) Non-vesting accumulated sick days:

For non-vesting accumulating sick days, the benefit costs are recognized, if deemed material, based on a projection of expected future utilization of sick time, discounted using net present value techniques.

Notes to Consolidated Financial Statements (continued)

Year ended June 30, 2018

2. Significant accounting policies (continued):

(h) Capital reserve:

Certain amounts approved by the Board of Trustees and the Public Schools Finance Board have been set aside in reserve accounts for future capital purposes as detailed on page 24 of the consolidated financial statements. These capital reserve accounts are internally restricted funds that form part of the accumulated surplus presented in the consolidated statement of financial position.

(i) Government transfers:

Government transfers, including legislative grants, are recognized in the consolidated financial statements in the period in which events giving rise to the transfer occur, providing the transfers are authorized, any eligibility criteria have been met and reasonable estimates of the amount can be made.

(j) Use of estimates:

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the year. Significant items subject to estimates include the carrying amount of capital assets. Actual results could differ from those estimates.

(k) Financial instruments:

There are no significant terms and conditions related to financial instruments (cash, accounts receivable, bank indebtedness, accounts payable and long-term debt) that may affect the amount, timing and certainty of future cash flows. The Division's exposure to credit risk from the potential non-payment of accounts receivable is minimal as the majority of receivables are from local, provincial and federal governments. The carrying amounts of the financial instruments approximate their carrying values, unless otherwise noted.

Notes to Consolidated Financial Statements (continued)

Year ended June 30, 2018

2. Significant accounting policies (continued):

(I) Liability for contaminated sites:

Contaminated sites are a result of contamination being introduced into air, soil, water or sediment of a chemical, organic or radioactive material or live organism that exceeds an environmental standard. The liability is recorded net of any expected recoveries. A liability for remediation of contaminated sites is recognized when a site is not in productive use all the following criteria are met:

- (i) An environmental standard exists;
- (ii) Contamination exceeds the environmental standard;
- (iii) The Division is directly responsible or accepts responsibility
- (iv) Is expected that the future economic benefits will be given up; and
- (v) A reasonable estimate of the amount can be made

The liability is recognized as management's estimate of the cost of post-remediation including operation, maintenance and monitoring that are an integral part of the remediation strategy for a contaminated site.

(m) Accounting policy changes:

On July 1, 2017, the Division adopted Canadian public sector accounting standards PS 2200 Related party disclosures, PS 3420 Inter-entity transactions, PS 3210 Assets, PS 3320 Contingent assets, and PS 3380 Contractual rights. The adoption of these standards did not result in any accounting policy change for the Division and did not result in any adjustments to the financial statements as at July 1, 2017.

3. Overdraft:

The Division has authorized revolving demand facility with the Royal Bank of Canada (RBC) of \$20,000,000 by way of overdrafts and letters of guarantee. The loans are repayable on demand at RBC prime less 0.25 percent. Interest is paid monthly.

Notes to Consolidated Financial Statements (continued)

Year ended June 30, 2018

4. Non-vested accumulated sick leave benefits:

Non-vested accumulated sick leave benefits are measured using net present value techniques on the expected future utilization of excess of sick benefits used over earner per year, to maximum entitlement. The impact of the estimated non-vested sick leave benefit cost for the year ended June 30, 2018 is a decrease of \$36,306 (2017 - increase of \$62,295). At June 30, 2018, the Division has recorded an estimated liability of \$563,116 (2017 - \$599,422) in respect of these benefits.

The significant assumptions adopted in measuring the non-vested accumulated sick leave benefit liability include a discount rate of 4 percent (2017 - 4 percent) and a rate of salary increase of 1.5 percent (2017 - 2 percent).

5. Employee future benefits:

The Division sponsors a defined contribution pension plan run by the Manitoba School Boards Association (MSBA). The defined contribution plan is provided to administrative employees based on their age at the beginning of the year and rates of pay. Each age group under the MSBA pension plan has a specific percentage for the employee to contribution. The Division contributions equal the employee contributions to the plan. No pension liability is included in the consolidated financial statements.

The employee benefit expense is part of the employee benefits and allowances expense account. It includes the Division's contribution of \$1,890,524 for fiscal 2018 (2017 - \$1,815,485).

Long-term disability benefits are covered by a defined contribution/ insured plan. The costs of salary compensation paid to employees on long-term disability leave are fully insured and are not included in the consolidated financial statements.

Supplemental unemployment benefits are defined benefits that are recognized and recorded only in the period when the events occur (e.g. maternity top up).

6. Commitments:

On March 12, 2018 the Division received approval from the Province of Manitoba for the construction of a new school to be located on Templeton Avenue in Precinct E. The projected completion date of construction is September 2020, and is projected to cost \$15,800,000.

8. School generated funds:

School generated funds are monies raised by the school, or under the auspices of the school, which each school's principal may raise, hold, administer or expend subject to the rules of the Division. At June 30, 2018, school funds held in the Special Purpose Fund totaled \$612,234 (2017 - \$620,268).

The school generated funds liability of \$475,677 at June 30, 2018 (2017 - \$439,881) comprises the portion of the school generated funds that are not controlled.

Notes to Consolidated Financial Statements (continued)

Year ended June 30, 2018

9. Debenture debt:

The debenture debt of the Division is in the form of twenty-year debentures payable, principal and interest, in twenty equal yearly installments and maturing at various dates from fiscal 2019 to fiscal 2038. Payment of principal and interest is funded entirely by grants from the Province of Manitoba. The debentures carry interest rates that range from 3 percent to 7.25 percent. The debenture principal and interest repayments in the next five years and thereafter are:

| | Principal | Interest | Total |
|------------|------------------|---------------|-------------------|
| 2019 | \$ 4,714,304 | \$ 3,546,490 | \$ 8,260,794 |

| | \$ 84,566,009 | \$ 30,236,264 | \$ 114,802,273 |

During 2018, the Division had submitted claims for capital projects to the Public Schools Finance Board totaling \$1,553,700 (2017 - \$8,557,300) and received debenture proceeds of this amount in 2018.

10. Other borrowings:

Garden City Collegiate Link Loan, Fiber Network Loan, Cisco Systems, and Land Loans:

The Garden City Collegiate Link loan is a 5.20 percent fixed rate term loan from RBC Life Insurance Company which is repayable over 20 years. The principal amount outstanding at June 30, 2018 is \$6,263,116 (2017 - \$6,651,155). The purpose of the loan was to fund the construction of the Garden City Collegiate Link and Garden City Collegiate renovation project.

The Fiber Network loan is a 3.63 percent fixed rate term loan from RBC Life Insurance Company. The purpose of the loan was to fund the construction of a divisional fiber network. The Fiber Network loan was retired early in October 2017. The term loan was repaid in full during the fiscal year.

The Cisco Systems loan is a 0 percent loan repayable over 3 years. The purpose of the loan was to purchase servers and phone equipment for a VOIP system. The 3 year term on the Cisco Loan ended in October 2017.

Notes to Consolidated Financial Statements (continued)

Year ended June 30, 2018

10. Other borrowings (continued):

The Land loans are 1.59 percent Interest Rate Swap for a 5 year term and 2.47 percent Interest Rate Swap loan repayable over 20 years. The principal amount outstanding at June 30, 2018 is \$3,325,000 and \$1,509,000 (2017 - \$3,471,000 and \$1,580,000), respectively. The purpose of the loans is to provide interim financing until new school builds are approved.

The Seven Oaks Preforming Arts (SOPAC) loan is at a rate 1.90 percent for a term of 182 days with a Stamping Fee of 0.80 percent and a maturity date of December 24, 2018. The principal amount outstanding at June 30, 2018 is \$7,200,000 (2017 - nil). The purpose of the loan was to fund the construction of the Seven Oaks Preforming Arts Centre.
