

We acknowledge that our water is sourced from Shoal Lake 40 First Nation. We are gathered on Treaty one land, les terres sur lesquelles nous sommes rassemblés aujourd'hui font partie du territoire traditionnel des personnes Anishinaabeg, Ininiwak, Anishininiwak, Dakota, et Déné, et de la patrie de la nation métisse de la Rivière Rouge.

We stand with the Indigenous community and commit to building an ongoing process of reconciliation, collaboration, and resurgence. Nous restons déterminés à travailler en partenariat avec les Premières Nations, Inuit et Métisses dans un esprit de vérité, réconciliation et collaboration.

Wednesday Announcements – April 8

Day 6

Today is International Day of Pink, The theme of this year's event is "Echo" which calls us to tune in to the voices of queer and trans communities, past and present. Today we invite students to participate in a Collaborative Rainbow Wall Hanging Project: For almost a year, students have been creating a collaborative rainbow wall hanging—from planting a rainbow garden last summer, to harvesting, tataki-zome (Japanese flower pounding), dyeing, and sewing strips of fabric together. In recognition of International Day of Pink, a day to stand up against bullying and to support the 2SLGBTQIA+ community, now you can be part of it! Drop by Stitch Club at lunch to embroider one word in pink onto the wall hanging—something that represents pride, allyship, kindness, or your voice. See you there!
