Dear Governor Semple Families,

We are excited to inform you that we have learned that we have been approved to receive a Land Dedication Reserve fund donation of \$20,000 towards the development of our Nature-based Adventure Playground! Thank you to the City of Winnipeg's Lord Selkirk—West Kildonan Community Committee for this generous amount, to Sara for all her hard work on the grant application, and to families who continue to support our project in various ways. We look forward to moving ahead with Phase I of our playground reno!

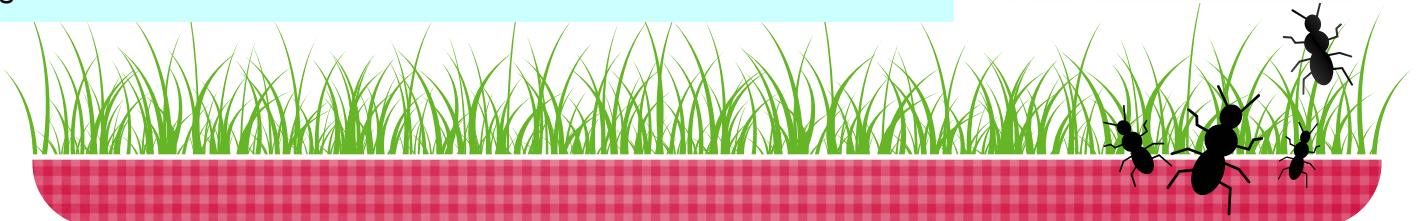

In April, we expect to have lots of water, squishy ground and mud outside. Please ensure that your child is dressed for the weather (rubber boots are a great idea if you can send them), and consider including an extra set of clothing and dry socks in backpacks. There will be lots of opportunities for outdoor learning.
