Dear Governor Semple Families,

March has been a very fast and exciting month! We truly valued the opportunity to meet with children and their families during our conference time to share the learning that has been happening in our school.

We would like to extend a big thank you to Sara who arranged our Book Sock Hop! We love putting books into the hands of our children!

With the warmer weather and melting snow, we would like to remind our children to dress appropriately! Rubber boots, slush pants and a light jacket are essential for children to fully enjoy their time outside. Please also remember that with our beautiful bright sun, sunglasses or ball caps help to protect our eyes!

We would like to take this opportunity to wish everyone a very restful and relaxing spring break and we look forward to seeing everyone on Monday, April 1st!

Our first Community Council meeting was a success! We will have an April meeting on either Tuesday, April 16th or Tuesday, April 23rd. Please stay tuned for the confirmed date!

Sincerely,

Mrs. Hughes

Edmund Partridge Community School

THE WRENCH NEEDS BICYCLES!

The WRENCH needs your help to ensure that children and families across the city can experience their summer by bike!

The WRENCH provides rebuilt bicycles and programming to the Seven Oaks community and beyond. If you have bikes (any size, any condition) that you no longer need, please consider donating.

During the snowy months bike donations slow down drastically but WRENCH programming keeps going strong all winter long. In fact we are doing more youth programming and giving out more bikes to community organizations & schools than ever before!

Now that spring is in the air our bike stock is critically low while demand is rising.

Please support vital bike programming in your community by dropping off your unwanted bicycles and parts at any [4R Winnipeg Depot](#) or at **The Wrench today!**

For further information on bike donations, email: resource@thewrench.ca
