

We acknowledge that our water is sourced from Shoal Lake 40 First Nation. We are gathered on Treaty One land, les terres sur lesquelles nous sommes rassemblés aujourd'hui font partie du territoire traditionnel des personnes Anishinaabeg, Ininiwak, Anishininiwak, Dakota, et Déné, et de la patrie de la nation métisse de la Rivière Rouge.

We stand with the Indigenous community and commit to building an ongoing process of reconciliation, collaboration, and resurgence. Nous restons déterminés à travailler en partenariat avec les Premières Nations, Inuit et Métisses dans un esprit de vérité, réconciliation et collaboration.

Day 2

Our AWRC workshops are back this week! Today we will be offering workshops on Grade 10 Factoring and Grade 9 exponents and powers. Tomorrow will be Grade 10 Chemistry. Check out our Instagram posts and posters around the school.

HELP WANTED: Volunteers are needed this week to help with set up and take down for the craft sale happening here this weekend. Duties would include moving chairs and tables and helping vendors to bring things to and from their vehicles. There are several shifts available. We especially still need help on the Saturday and Sunday. Details are on the Volunteer Google Classroom. Please contact Mrs. Reimer if you can help.
