

Career Ready

Where the **community** becomes the classroom

Our Career Ready programs offer the advantages of education and experience — and those advantages can mean the difference between just getting a job and launching a successful career.

Through our partnerships with various local businesses you'll apply your classroom knowledge on the job, working with and learning from industry professionals.

If you're currently in high school, a recent graduate or even an adult learner, this program could be an important step towards a rewarding career that will last you a lifetime.

For more information contact your school counsellor or any of our high schools.

you can do it

Electrical Trades & Technology is open to anyone who meets the requirements:

- Interest in working in the electrical trades
- Students must be 21 or under by the start of classes
- Completion of grade 11 core courses (done in semester one of grade 11 year)
- Completion of a Career Ready application form
- Presentation of a certified transcript of marks, cover letter, reference letter, resume and fee if applicable
- Participation in an orientation
- Math 30S and/or 40S mark of 70% is recommended (applied math, pre-cal or physics)

Individuals who have completed grade 12, are an adult learner or reside outside the division are encouraged to submit an application. A registration fee may apply depending if you are a graduate or live out of Seven Oaks School Division catchment.

all in a day's work

You will spend time in the classroom attaining basic skills and learning theory needed to get started in conjunction with practical lab experience, giving you the necessary skills to continue your apprenticeship.

Under the guidance of your instructor and experienced electricians, you will acquire and demonstrate skills such as:

- Motor controls
- Alternating & direct current fundamentals
- Electrical & power tool safety
- Residential & commercial wiring practices
- Canadian Electrical Code
- Alternative Energy

hit the ground running

If you like to work with both your mind and your hands and enjoy careful calculations and precision work, then we can help you gain the skills and experience you need for a rewarding career as an electrician.

Upon completion of this program you will earn a minimum of eight high school credits, with the possibility of Level One accreditation upon successfully completing examination.

Our Career Ready programs maintain an excellent record of helping students gain full-time employment upon completion. Don't miss this exciting opportunity – apply now!

Seven Oaks School Division will offer this program in partnership with IBEW 2085. The program is taught at the IBEW's campus in the Manitoba Building Trades Institute on McPhillips.

electrical trades & technology

Electrical Trades & Technology introduces you to a variety of career opportunities in the electrical trades.

Whether your interest is in electrical installation or maintenance, residential or commercial wiring, machine repair or some other aspect of electricity, this Career Ready program leads to Level One electrician accreditation so you can get working on electrical sites right away.

We provide a combination of technical training and practical, hands-on projects and classroom theory so that potential employers need not worry about your level experience – you will come to them prepared to work. Employment opportunities are many, varied and financially rewarding.
