Dear Families.

We are excited to share our annual West St. Paul Christmas Concerts taking place at 7:00 p.m. on Wednesday and Thursday nights this week. Students have been working with their teachers to practice various performances. Students are asked to dress nicely in whatever colours they would like. Attached you will find the program for each night as well as our parking lot map. Parents are encouraged to park on Minnehaha and Hiawatha Avenues. Parents should never park on the shoulder of the highway. Any parents choosing to park in the school parking lot will need to be prepared to be patient as all the cars leave after the concert.

Each night, the front door to the school will be open so parents can purchase tickets to the West St. Paul PAC fundraiser in the entryway. The prize winners will be drawn during the concert on Thursday night and winners will be notified. The winners of the PAC Raffle for four front row seats were the families of Amber Zelenitsky and Marina Cabral. Congratulations!

At 6:00 p.m. each evening we will open the doors to the gym so families can choose their seats. Students will need to stay with their families until 6:30 when we will welcome the students to come to their classrooms to meet their classmates and prepare for the concert.

At the doorway to the gym, there will be a silver collection in support of the Be a Santa to a Senior for Middlechurch Home. All money collected will go to Middlechurch Home.

We encourage family members to attend the dress rehearsals at 12:45 each day. These concerts are less busy and will allow for better viewing.
