

Manitoba Water Polo Association

Calling all high school and middle school students!

Do you love swimming? Are you curious about water polo?

The MWPA has a FREE event just for you!

Date: April 25, 2026

Place: Pan Am Pool

Grades 9-12: from 10am - noon

Grades 5-8: from 1pm - 3pm

The day will consist of some fun introductory skills and drills, and then game play. Players from the 2025 season may attend with their classmates.

To register go to: <https://www.rampregistrations.com/login?v3=1182cade>

What is Water Polo? Water polo is a team sport played in the water, and is like soccer, team handball, and rugby all mixed into one. The game consists of two opposing teams swimming, passing and shooting a ball on a net guarded by a goalie. It is a splashing good time!

For almost 50 years, the MWPA has hosted a school league where students from grades 5 to 12 across Manitoba compete at a recreational level against each other in a positive and inclusive environment. Teams are frequently comprised of students who have never played water polo and join just for the fun of it.
