Dear Mino Pimatisiwin families,

Halloween Reminders

With Halloween nearing, we wanted to remind families that we request no products containing nuts of any kind are brought to school. We have many students with severe, life-threatening allergies and we want to ensure everyone's safety while at school. We appreciate your support with this.

We also request that costumes are school-friendly and do not include weapons or excessive gore and are culturally appropriate.

An Invitation to Connect!

At École Mino Pimatisiwin, we know that strong relationships between families and school help create a community where our children feel connected, supported and a sense of belonging.

We would like to invite parents/guardians to join us for **Community Connections** — an informal opportunity for families and school staff to come together, get to know one another, share ideas and engage in conversations about our school community.

These gatherings will be a chance to:

- Connect with other parents/guardians and members of our school community.
- Share ideas, perspectives and hopes for our school.
- Learn more about what is happening at Mino Pimatisiwin.
- Explore ways we can work together to support our children and strengthen our community.

There is no formal membership or commitment required. You do not need to take on a role or volunteer your time. We simply want to create space for conversation, connection and shared ideas, where every voice is welcome and valued.

Whether you have lots of ideas to share or simply want to listen, enjoy a cup of tea and connect with others, we would love to see you there!

Our first gathering will be Wednesday, November 4th at 6:00 p.m. in North Star, our community learning space. If you plan on attending, please RSVP to minopimatisiwin@7oaks.org

We look forward to building connections, learning from one another and continuing to grow together as a school community.

Crystal Hanson
