

We acknowledge that our water is sourced from Shoal Lake 40 First Nation. We are gathered on Treaty one land, les terres sur lesquelles nous sommes rassemblés aujourd'hui font partie du territoire traditionnel des personnes Anishinaabeg, Ininiwak, Anishininiwak, Dakota, et Déné, et de la patrie de la nation métisse de la Rivière Rouge.

We stand with the Indigenous community and commit to building an ongoing process of reconciliation, collaboration, and resurgence. Nous restons déterminés à travailler en partenariat avec les Premières Nations, Inuit et Métisses dans un esprit de vérité, réconciliation et collaboration.

Wednesday Announcements – December 17

Day 2

Today's community land acknowledgement is from Mrs. Lubkey's grade 9 Advo: Our Advocacy Group acknowledges that we are on the ancestral lands of the Anishinaabeg, Ininiwak, Anishininiwak, Dakota Oyate, Dene and the birthplace and homelands of the Red River Metis Nation. We are committed to working collaboratively with Indigenous Nations to foster relationships that heal and build respect. We express thanks for having been allowed to share in the wealth of natural resources that our province has to offer - the water, the land, the minerals and the living creatures- to provide food, shelter and financial wealth. We appreciate the gift of democracy. Learning from Indigenous practices of valuing the voice of all people, coming together to share ideas and create solutions that work towards the betterment of all. We are committed to respecting the natural resources- not wasting or polluting- and to behave in a way that considers the needs of all people and not just ourselves.

Huge miigwetch to all the GC teachers and staff who contributed their culinary talents to the Indigenous Solstice Feast last night, and to GC students Saraya Richard and Rio Roussin for being very capable emcees, and to Tachie Black and the Chornoby sisters who did an amazing job of having their talents.
