

We acknowledge that our water is sourced from Shoal Lake 40 First Nation. We are gathered on Treaty one land, les terres sur lesquelles nous sommes rassemblés aujourd'hui font partie du territoire traditionnel des personnes Anishinaabeg, Ininiwak, Anishininiwak, Dakota, et Déné, et de la patrie de la nation métisse de la Rivière Rouge.

We stand with the Indigenous community and commit to building an ongoing process of reconciliation, collaboration, and resurgence. Nous restons déterminés à travailler en partenariat avec les Premières Nations, Inuit et Métisses dans un esprit de vérité, réconciliation et collaboration.

Friday Announcements – December 5

Day 6

Today's community land acknowledgement is from Mr Nowrang's grade 10 Advocacy class (reader - Elisha Abella): Good morning students and staff of Garden City Collegiate. Nous reconnaissons que notre école se trouve sur le territoire du Traité n' 1, les terres traditionnelles des peuples Anishinaabe, Cree, Oji Cree, Dakote et Dene, et la patrie de la Nation Metisse de la Riviere Rouge.

We honour leaders such as Chief Peguis, whose generosity helped the Selkirk Settlers survive, and Louis Riel, who fought to protect Métis rights, culture, and identity. Their actions remind us that the future of this land has always relied on courage, justice, and responsibility.

Reconciliation n'est pas seulement de souvenir le passé, c'est les choix que nous faisons aujourd'hui, donc les generation d'avenir vont hériter un Canada plus honèt, respectueuse et inclusif.
