EVERY CHILD MATTERS

CHAQUE ENFANT COMPTE

At ÉSOMS... we continue to develop our treaty acknowledgement as a whole. We also worked individually as a staff to each create our own relationships to this beautiful land. We then brought this work into the classroom where students created a treaty acknowledgment for their classroom, and individually. We then had student volunteers read their acknowledgements during morning announcements. We are very proud of our commitments and we will continue this important work.

We would like to acknowledge that we are gathered on ancestral lands, on Treaty One Territory, and that our water is sourced from Shoal Lake 40 First Nation. These lands are the National Homeland of the Red River Métis and the Traditional Territory of the Anishinaabe, Ininiwak, Anishininewuk, Dakota Oyate and Denesuline People.

We respect the spirit and intent of the Treaties and Treaty making and remain committed to working in partnership with First Nations, Inuit and Metis people.

Everytime we acknowledge this truth, we have an opportunity to reflect on what we do, and what we can do to make Manitoba, Winnipeg and ÉSOMS a better place for everyone.

DES CHANSONS DE LA FRANCOPHONIE

The bulletin board is a collection of French music and cultural items. At the top, the title 'DES CHANSONS DE LA FRANCOPHONIE' is written in large, colorful letters. In the center, a yellow treble clef holds a photograph of a man, with the text 'La Vie - Ichon' written above it. Surrounding this central element are various French songs and artists, each accompanied by a small photo or album cover. The items are arranged in a somewhat circular pattern around the center. National flags from francophone countries are also displayed, including those of Turkey, Ghana, France, South Korea, Mali, Benin, Canada, Rwanda, and Germany. The background of the board is a textured, grey fabric.
