

We acknowledge that our water is sourced from Shoal Lake 40 First Nation. We are gathered on Treaty one land, les terres sur lesquelles nous sommes rassemblés aujourd'hui font partie du territoire traditionnel des personnes Anishinaabeg, Ininiwak, Anishininiwak, Dakota, et Déné, et de la patrie de la nation métisse de la Rivière Rouge.

We stand with the Indigenous community and commit to building an ongoing process of reconciliation, collaboration, and resurgence. Nous restons déterminés à travailler en partenariat avec les Premières Nations, Inuit et Métisses dans un esprit de vérité, réconciliation et collaboration.

Hey everyone and Happy black history month. For those of you who might not be as aware about it let me explain. Black history month is the month we celebrate black history to honor the often overlooked contributions of Black people to our society today. With inventions like gas heating furnaces, home security systems, refrigerators and so much more. Black people have managed to stay resilient and continue to persevere in face of adversity. Stay tuned for more facts about black history.
