

We acknowledge that our water is sourced from Shoal Lake 40 First Nation. We are gathered on Treaty one land, les terres sur lesquelles nous sommes rassemblés aujourd'hui font partie du territoire traditionnel des personnes Anishinaabeg, Ininiwak, Anishininiwak, Dakota, et Déné, et de la patrie de la nation métisse de la Rivière Rouge.

We stand with the Indigenous community and commit to building an ongoing process of reconciliation, collaboration, and resurgence. Nous restons déterminés à travailler en partenariat avec les Premières Nations, Inuit et Métisses dans un esprit de vérité, réconciliation et collaboration.

Wednesday Announcements – February 25

Day 5

Today's community land acknowledgement is from Mrs. Prawdzik's grade 11 advocacy group. We acknowledge that our school is located on Treaty 1 territory, the traditional lands of the Anishinaabe, Cree, Oji-Cree, Dakota, and Dene peoples, and the homeland of the Red River Métis. We also recognize the deep and ongoing relationship Indigenous Peoples have with the land and water, including the water we use from Shoal Lake 40 First Nation. Indigenous communities have cared for this land and these waters for generations. As students, educators, and families who call this place home, we share the responsibility to respect and care for the land. We commit to learning from and with Indigenous communities as we continue on a path of respect and reconciliation.
