

Fundraising Survey

Our Parent Advisory Council (PAC) is asking the families of our school community to provide us with some feedback about future fundraising events. Our fundraising efforts allow us to support projects such as our new playground, as well as extra-curricular clubs and free family events like our dances and games nights.

Please participate in this very short survey by clicking on the link:

<https://forms.gle/mf6xs9fe7swRXaMY9>

OR by visiting the survey through the QR code.

We will review the results at our next PAC meeting on Wednesday, Oct 14th from 6:00 – 7:30 pm. All are welcome to attend and childcare is provided!

Thank you for your support!
