

# Career Ready

## Where the **community** becomes the classroom

Our Career Ready programs offer the advantages of education and experience — and those advantages can mean the difference between just getting a job and launching a successful career.

Through our partnerships with various local businesses you'll apply your classroom knowledge on the job, working with and learning from industry professionals.

**If you're currently in high school, a recent graduate or even an adult learner, this program could be an important step towards a rewarding career that will last you a lifetime.**

**For more information contact your school counsellor or any of our high schools.**

## you can do it

The Health Care Aide Program is open to anyone who meets the requirements:

- Interest in working with and providing care to people of all ages
- Completion of grade 11 core courses
- Completion of a Career Ready application form
- Presentation of a certified transcript of marks, cover letter, reference letter, resume and fee if applicable
- Participation in an orientation
- Completion of a physical examination and updated immunization records
- Presentation of a current Child Abuse Registry, Adult Abuse Registry and Criminal Record Check including vulnerable sector search

Individuals who have completed grade 12, are an adult learner or reside outside the division are encouraged to submit an application. A registration fee may apply depending if you are a graduate or live out of Seven Oaks School Division catchment.

## all in a day's work

The 34-week course is a combination of in-class theory and on-the-job training. You will be in the industry four days a week and will spend one day per week in the classroom.

The first six weeks take place in the classroom, where you attain skills and theory needed to get you started – and then the real learning begins!

Under the guidance of a nurse/instructor you will learn to work effectively on a health care team with patients, families and other staff in a variety of care settings.

Participants are placed in various areas offering unique experiences with the opportunity to rotate through four different sites.

## hit the ground running

If you have a passion for providing care to people of all ages, this is the program for you.

Upon course completion earn up to 10 high school credits and will receive the following certification:

- Red River College Health Care Aide Certificate
- Manitoba Heart and Stroke Foundation Cardiopulmonary Resuscitation Certificate
- Crisis Prevention Intervention (CPI) Certificate

Whatever path you choose, we want you to experience success.

Our Career Ready programs maintain an excellent record of helping students gain full-time employment upon completion of the programs.

Don't miss this exciting opportunity – apply now!

## health care aide

The Health Care Aide Program introduces you to the career opportunities that await you within the health care system.

This Career Ready Program prepares you to work immediately after completion at:

- Hospitals
- Nursing Homes
- Community Health Organizations

If you have an interest in nursing, the sciences or other health-related professions, we can help you open those doors.

We provide a combination of technical training and on-the-job work experience so that potential employers need not worry about your knowledge – you will come to them prepared to work. Most students even have positions waiting for them upon graduation at one of the places they trained.

With boundless potential within the industry, there is no shortage of opportunities for today's health care aide and no limit to how far you can go!
