

We acknowledge that our water is sourced from Shoal Lake 40 First Nation. We are gathered on Treaty One land, les terres sur lesquelles nous sommes rassemblés aujourd'hui font partie du territoire traditionnel des personnes Anishinaabeg, Ininiwak, Anishininiwak, Dakota, et Déné, et de la patrie de la nation métisse de la Rivière Rouge.

We stand with the Indigenous community and commit to building an ongoing process of reconciliation, collaboration, and resurgence. Nous restons déterminés à travailler en partenariat avec les Premières Nations, Inuit et Métisses dans un esprit de vérité, réconciliation et collaboration.

## **Thursday Announcements – January 15**

### **Day 1**

It's a new year and that means it's a new chance to get involved in Post Secondary Club! We invite Indigenous students to join us in room W212 next Tuesday at lunch for pizza and an interactive student advising session.

The AWRC is here for you! Drop by the library at lunch to work with one of our amazing peer tutors OR check the schedule and come with a friend to one of our exam prep workshops. We will have a tutor work through the subject material with the group to help you review tricky concepts and prepare for your exam or final project! Today's workshops are as following: Grade 10 Polynomials, Grade 10 Physic and practicing French conversational skills.

Don't forget to fill out the 2026 Matchmaker survey! If you missed it yesterday, there will be some posters up around the school later today for you to scan the QR code. It is free to fill out, so make sure all of your friends and teachers complete it to join in on the fun! The survey will be open until NEXT Wednesday at the end of the day. Results will be available to purchase the week before Valentine's Day for a small fee to raise money for Gopher Games, so don't miss out on the Valentine's Day fun!

Big Win for the Boys Hockey! Congratulations to the boys hockey team on an outstanding 3-0 victory over the #1 ranked team in the province, the Steinbach Sabers. An incredible team effort, strong defence, and top tier goal tending by Aaron Cormier lead to an impressive shoutout! Ronan Tracy, Jake Kelemen and Nicholas Besyk all had one goal. The team will wrap up their week tomorrow by playing Miles Mac at home.

Congrats to the Girl's Soccer team on their 3-0 victory over against St. John's Ravencourt!
