

We acknowledge that our water is sourced from Shoal Lake 40 First Nation. We are gathered on Treaty One land, les terres sur lesquelles nous sommes rassemblés aujourd’hui font partie du territoire traditionnel des personnes Anishinaabeg, Ininiwak, Anishininiwak, Dakota, et Déné, et de la patrie de la nation métisse de la Rivière Rouge.

We stand with the Indigenous community and commit to building an ongoing process of reconciliation, collaboration, and resurgence. Nous restons déterminés à travailler en partenariat avec les Premières Nations, Inuit et Métisses dans un esprit de vérité, réconciliation et collaboration.

Tuesday Announcements – January 20

Day 4

The AWRC is here to help YOU as we finish up the semester. Today's sessions are as follows: Grade 10 integers, Grade 10 Chemistry and general overview of how to handle final projects. No appointment needed – just stop by the library today at lunch for some help reviewing this subject material. And if you need help with something else, we have tutors to help with one-on-one support.

Some assistance is needed at the **front of house for SOPAC events this week**. **House managers would help to greet SOPAC guests, show them where the restrooms are, keep an eye on the lobby and help the SOPAC staff tidy the theatre at the end of the show.**

- **Tuesday, January 20 - 5:30 start**
- **Wednesday, January 21 - 5:30 start**

If you can help, please contact Mrs. Reimer.

Congratulations to the Girl's Soccer team for their 5-2 win over River East last night. Huge shout out to the girls who are now in first place in the Premier Division!
