“Working, learning and growing together”

Message from the Office

Happy New Year!! We had a fantastic December as we prepared for the Christmas concerts! Both nights were a huge success as the students worked so hard to prepare and perform a great selection of songs and poems! We're very proud of the work of the students and thrilled to have such talented staff supporting them! Thank you to all of the families who came out and to those who supported the playground Greening Project through the 50/50 and silver collection. We are very close to being able to move forward with the next phase of our nature playground! We'll keep you posted as we learn more!

We had another successful Winnipeg Harvest campaign here at Школа R.F. Morrison School! We collected 3 bins of popular items! Thank you so much to everyone who was able to contribute!

We'd like to send out a big thank you to Carpathia Credit Union for their generous donation to our English Ukrainian Bilingual Program! It will be put towards student cultural programming. We value our partnership with Carpathia as a continued supporter of the program at Школа R.F. Morrison School.

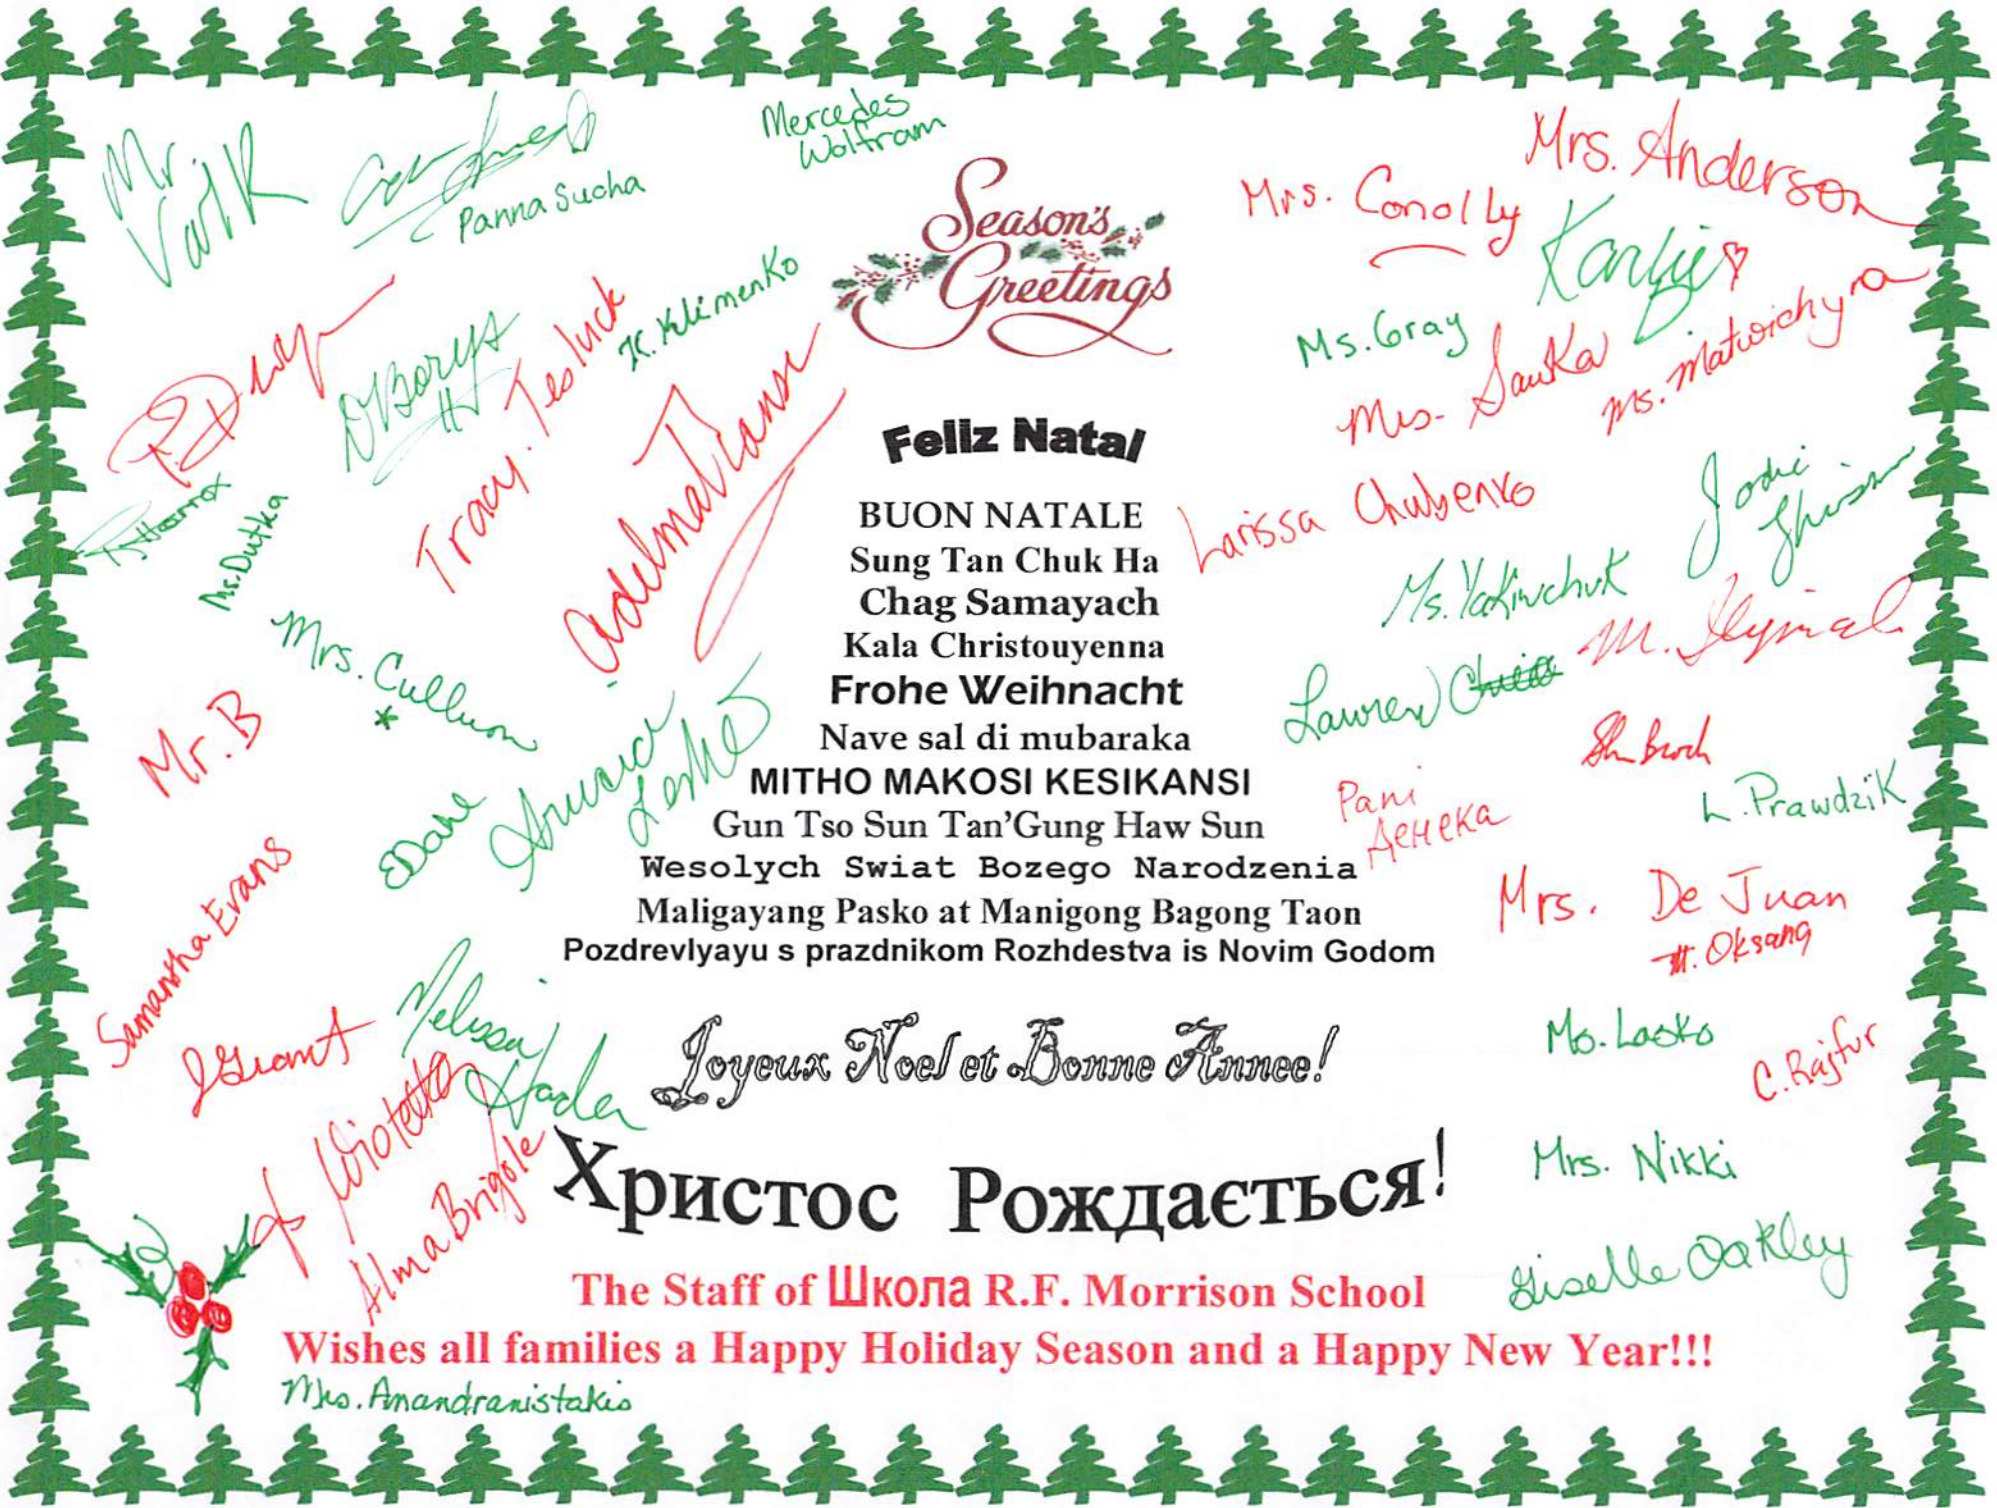

We were also able to enjoy a whole staff luncheon thanks to the many volunteers who came out to help us out. Our volunteers are such a valuable part of our learning community and the staff would like to thank each of you for helping!

PARKING LOOP NOTICE We would like to remind parents who use the loop in front of the school to turn off engines when you park/stop your car. There are fresh air intakes and running vehicles affect the air quality in our classrooms. Thank you for helping us keep the front of our school an IDLE FREE ZONE.

Our first day of school for 2020 is Monday, January 6th.

Just a reminder that **January 17th** and **January 31st** are both professional development days for staff. There will be **no classes** either day.

Season's Greetings
