Dear Families

This month has brought some unpredictable weather. Thank you for sending your children with appropriate gear for the conditions. Everyday students love playing outside in the snow. As a school we supplied shovels and sleds for each class to share. If you are looking for opportunities for your children to be active but warm at the same time then I would encourage the City of Winnipeg Free Play program in our gym every Monday and Wednesday from 5:30pm-6:30pm. It is a great chance for Collicutt kids to get together and play.

Mr. Mian

Next month is "I Love To Read" month. Children are encouraged to read, write, and share in the joy of literacy at school and at home.

Music

The students have been busy in the music room as we begin to prepare for our concert. This concert explores music that is found in movies. We have discovered that music plays an important role in movies and watching a movie without music is no fun at all! Be sure to save the date for our music concert. It will be on **Tuesday, March 5 at 6:00 p.m.** at the Seven Oaks Performing Arts Centre. More details will come soon!
