NEWSLETTER

January 2024

Welcome back to our Victory families!

We hope you enjoyed the break with family and friends and are now getting back into the school routine.

We returned in January to a change in the warm weather we enjoyed throughout December. As always, we strive for a careful balance of allowing children to enjoy the outdoors while at the same time ensuring that they stay safe. We continually monitor the conditions throughout the day and keep children indoors when it is too cold to play outside (guideline of -27 degrees (or colder), as measured by Environment Canada at the airport). Please be sure that your child is dressed for our winter weather each school day, as the temperature and conditions can fluctuate dramatically.

The current snowfall we are receiving offers opportunities for the children to build, play and create together, as well as slide down any snow hills as they develop. Naturally, conflicts between children while playing will occur and it is a great way for them to learn how to solve problems. We have many supportive adults supervising on the playground that can work through the process of solving these conflicts together. We will continue to work with the children on what their responsibilities are towards ensuring a peaceful, inclusive playground for all.

We wish everyone a healthy and happy 2024!

FROM THE OFFICE

If your child will not be in class, please be sure to call our office. If you call before 8:30 am, you may leave a message on our answering machine with the student's name, teacher's name, room number and the reason for the absence. We will pass on the message to the teacher for you.

PARKING LOT SAFETY

SERIOUSLY DANGEROUS! We are very concerned for all the childrens' safety and ask you to please drop and pick up your child/children at the school **"STOP DROP & GO"** entrance or any of the doors along Jefferson Avenue. The bus loop is off limits as well. Please help us and help your children with this serious safety issue.

IMPORTANT UPCOMING DATES
