Congratulations to all of our children who graduated from the Career Trek Program this year! We are so proud of you for all of your accomplishments!

### Congratulations to:

- Leila Miao
- Brent Domingo
- Dale Garduque
- Geoffrey Gomes

# A READ YOU NEED

Hello everyone, we are from P4 (Ms. Kantarzhi/Mr. Santiago) and we are here to talk about Malala Yousafzai. We've been learning all about her by reading her autobiography. We recommend her book for grades 5-8, it is about how one girl stood up for girls' education and changed the world. Malala started to speak out to the world about education issues when she was 10 years old. She gave interviews and as she grew older she started giving speeches. Soon many people knew her and her mission for girls' rights. She is from Pakistan and was fighting against the Taliban. The Taliban is a big group of people who told everyone what to do like wearing masks, turbans and telling people to stay home. If they disobeyed they were whipped or killed. When Malala was young she was scared but as she got older, she got braver. Brave enough to fight the Taliban. Although Malala's family was in danger she continued to fight. She was shot in the head in her battle. Malala kept on the fight until she helped earn girls' rights. She risked her life for girls like her, even though her life was in danger she remained hopeful and positive.

# CHILDREN LEARNING and PLAYING!

At AEW we love any opportunity we can get to celebrate the learning in our school! We are so pleased to be able to offer you a peek into the work we do here!

MS. SARKANY AND THE CHILDREN OF RM. 21 EXPLORED EGYPT AND SHOWCASED THEIR LEARNING WITH A MUSEUM GALLERY WALK. THE CHILDREN HOSTED OTHER CLASSES AND SHARED ALL OF THEIR GREAT INFORMATION! DID YOU KNOW THAT PANCAKES WERE INVENTED IN EGYPT?

**CLAY CLUB WITH  
MS. PARKER  
AND SOME OF THEIR  
MASTER PIECES!!**

# Grade 6-8 Track and Field

Great job by all of our Grade 6-8 Track and Field participants! The weather was warm and the sun was shining and everyone had a great time!

As some of you may have heard, Ms. Babcock's class has been learning about bees. The students are very concerned about why bees are going missing. The class quickly learned that they were not alone in their concern. Together with a Grade 12 class from Garden City Collegiate, the grade 1/2s committed to raising funds to support this important cause!

On Wednesday, June 1 the children went over to Garden City Collegiate to raise awareness and fundraise through a bake sale! Children raised over \$350.00 to help build a Bee Garden at AEW with a bee bath to help feed the bees good foods that are free of pesticides! Additional funds will be donated to the Canadian Bee Research Fund which promotes, investigates, and supports bee health.

## From the Music Room!

Springtime is a wonderful time of the year! It has welcomed in beautiful sunshine to our music room, bringing in new songs for the students to move to and perform! The Grade 1 and 2's have been a-movin' and a-groovin' to some "do-wop-shu-bop" springtime songs, as well as, singing and playing on the Orff instruments. The Grade 3, and 4's have been very busy in preparing advanced recorder pieces, Orff, and choral repertoire. They will continue to work very hard on all of their pieces in preparation for our next assembly in June.

As this year comes to a close, I would like to say how wonderful it is to work with all of the fabulous students at AEW! It is so much fun making music with them and seeing all of their musical capabilities shine! I will truly miss making music with the Grade 4's and I wish them all the very best next year in Grade 5!

Keep working on all of your fabulous recorder pieces and keep on singing!

You are AWESOME!

NOTE: The students in Grade 5/6 will be attending our annual Arts Camp on Monday, June 13th at the Canadian Mennonite University located on Grant and Shaftsbury. It will be a wonderful "ARTSY" day for the students as they will have the opportunity to explore an artistic medium of their choice. Later on that day the students will have a sharing session to display their artwork with all of the other students. It is always a great day for the students to immerse themselves into learning a new art form. Please have your child bring a disposable lunch, drink, and appropriate clothes for the day. Should it be a pleasant day your child will enjoy having their lunch outside on the university grounds. The busses will pick us up at AEW and we will return back to the school around 2:45 P.M.

Have a wonderful safe and fun-filled summer holiday!

Mrs. J. Deck

## ***JUNE 2016 IMPORTANT DATES!***

- Thursday, June 2 - Glen Lea Plant pick up—Mini-Gym
- Thursday, June 2 - Graduation Powwow 3:00-6:00 @ Maples Coll.
- Monday, June 6 - Administration Day - No School
