

## RIVERBEND KINDERGARTEN SUPPLY LIST 2024-2025

### **Ms. Darion Bruyere – Kindergarten Ojibwe Bilingual Program/English - Room #1**

When you and your child come to school for your orientation visit, please bring the following:

#### **Running Shoes:**

We would like one pair of indoor runners to be left at school all year. The shoes that children wear to school often become wet or muddy and must be removed. The children will also use these runners for gym. (Please label them with your child's name inside.)

#### **School Bag:**

We would like the children to carry a school bag back and forth EVERYDAY. The school bag needs to be a regular sized bag that can hold extra clothing and snack bags. The bag will be used to carry note folders and projects home as well. (Please label with your child's name inside.)

#### **Extra Clothes:**

Please send an extra pair of sweats, t-shirt, underwear and socks in a Ziploc plastic bag. They will remain at school. These may never be needed, but in times of "crisis" they are a lifesaver, especially for your child. Please label everything.

#### **School Supply and Special Activities Fee:**

Each parent is asked to submit a cheque for \$35.00 during the first week of school which will be used for school supplies such as, crayons, glue and pencils as well as materials for special projects.

#### **Kleenex donations:**

It is amazing how much tissue these kiddos can go through! A donated box of Kleenex for the class to use is very much appreciated.

### **THROUGHOUT THE YEAR**

#### **Snack Time:**

Snack time is part of our daily routine. Parents can send something SMALL AND NUTRITIOUS such as any type of fruit or vegetables. Children may use a small, labelled, non-disposable bag to transport snack. Our drink of choice for snack is water. Please send a refillable water bottle that will travel back and forth to school on a daily basis.
