

DONATIONS TO OUTSIDE ORGANIZATIONS

The division will support by donation and/or by participation by staff and trustees in fundraising events for organizations identified as providing a direct and substantive benefit to our students on an ongoing basis or through a formal partnership (e.g. Winnipeg Symphony Orchestra, University of Winnipeg, Red River College, Rainbow Resource Centre and Osvita Foundation). The division will budget an amount for such purposes annually.

The Superintendent will make specific allocations within the budgeted amount and will organize representation.
