David Ingram – Principal Jenny Macdonald – Vice-Principal

May 6, 2022

Hello West St. Paul School Families,

We wanted to let you know that we had a Lockdown practice drill today, as a school. We are required to have two of these practices during the school year, just as we are required to practice Fire drills. Our staff and students did an excellent job of quickly securing the classrooms and making it so they were not able to be seen and heard during our practice.

Our Middle Years Students are working with an Artist on a sculpture project and they need your help with something. If you happen to have a clean, medium sized or large sized sour cream, margarine or yogurt container (essentially a plastic container with a lid) that you could donate to the school, that would be much appreciated. If they could be brought in on Monday by your child, that would be great!

We hope you have a great weekend!

Sincerely,

David Ingram and Jenny Macdonald
