October 7, 2024

Dear Families.

Welcome to October! As the amount of sunlight begins to decrease and temperatures begin to cool, please be sure to check the forecast each day and dress your children for the weather. We know how quickly a brisk wind can change the playing conditions outdoors and children can start to feel cold even though the temperature is pleasant.

Our school Terry Fox Run/Walk will be Friday afternoon starting at about 1:15. We will be walking the Minnehaha, Kenabeek, Hiawatha Loop across from the school. Families can feel free to join our school group! Families who wish to make a donation to the Terry Fox Foundation to support cancer research will find our school link here: [West St. Paul School - West St. Paul, MB | Terry Fox School Run](#)

The Seven Oaks School Division received word that our school has been approved for two more portables. The Division will now begin working with the province and contractors to get permits to have the portables moved and set in place for our use.

Reminder that our grade 6 and 8 students will have immunizations on Wednesday, October 16<sup>th</sup> in the morning.

The West St. Paul Fire Department will be visiting the school this month to help us to teach about fire safety. The Fire Department will bring the Fire Safety Classroom where students will learn about safety hazards in different areas of a home and how to conduct themselves in the event of an emergency. The firefighters will also have the chance to demonstrate their volleyball skills as they take on our West St. Paul volleyball teams.

Mark your calendar for October 24<sup>th</sup>. Our Parent Advisory Council (PAC) will host our second Family Halloween Dance from 6:00-8:00 PM. This is another fun FREE event put on by our PAC and all our school families are invited to dress up and attend. There will be snacks available to purchase. We welcome families to join us at our monthly PAC meeting on Wednesday, October 9<sup>th</sup> at 6:00. Free childcare is available, and the meeting lasts about 90 minutes.

Enjoy the Autumn air!
