Dear Families,

Welcome to the 2024-25 school year! We hope summer was spent relaxing and enjoying our fantastic Manitoba summer with family and friends.

It was fantastic to meet all our families again during our Orientation Meetings last week and catch up with each other. Our school has 28 classrooms and about 600 students and we are ready for another great school year.

Tomorrow evening from 5:00-8:00, our Parent Advisory Committee (PAC) is hosting a Family Fun Night. There will be music, bouncers for the kids, a dunk tank, food for all, and more! It takes place outside in the school play space. Bring a lawn chair and plan to spend a fun evening with other families and the staff! Thank you to our PAC for organizing the family friendly event to kick off the school year.

Middle Years cross Country practices are happening several times each week with the first meet of the season happening in two weeks. Students who have signed up will receive a letter for Mrs. Wiebe and Mr. Chabbert this week.

Our community is connected with paths and trails. As a part of active living, in physical education classes our Middle Years students take part in the BEST (Bicycle Education and Skills Training) bike program. Students are taught to ride our trails, paths and streets safely. You will see our classes biking around the neighborhood for the next few weeks.

West St. Paul School is on Instagram. Look for us at west-st-paul-school and keep up with all that is happening at the school.

Important Dates:

September 12 – First Middle Years Technology, Art and Sport (TAS) day

September 17th - First PAC meeting - 6 PM – free childcare provided

September 18th - Picture Day

September 23 – School In-service – No School

September 30 – National Day for Truth and Reconciliation – No School

We look forward to seeing everyone tomorrow for the PAC Family Fun Night!
