Issue #7

March 2019

Principal: Joey Robertson

PRINCIPAL'S MESSAGE:

Dear Families,

March is a shorter month of school due to Spring Break, but it is a busy one! Our Grades 4 & 5 badminton club members will participate in a tournament at the Canada Games Sport for Life Centre, and our Grade 5 Recorder Ensemble will perform at the Winnipeg Music Festival.

Our Indigenous Education Committee will be talking with students about the opportunity to participate in our school Pow Wow Club starting in April. As well, stay tuned for more details around special activities our "So Active, So Healthy" committee has planned for the week before Spring Break.

Thank you for your generous support of our garlic sausage and perogy fundraiser. All funds raised will go towards our school-wide field trip to Assiniboine Park Zoo, which will take place in June.

Pick up your garlic sausage & perogy orders when you come in for your Parent/Teacher interviews on Thursday, March 14, between 3:30 -7:30 pm and Friday, March 15th between 9:00 and 3:30 p.m. in the Breakfast Room!

We also want to mention our appreciation of the parent volunteers who came out to cook and serve pancakes to our Patrols, as a thank you to our dedicated patrol team.

Report cards will be available online for families to view on March 12th, 2018, after 10:00 a.m.

Families will also be able to use the Parent Connect website to book appointments with their child's teachers at the same time. If you are having trouble using the Parent Connect website, please contact the school office for assistance.

We look forward to seeing all of our families at conferences later this month!

GOVERNMENT IN CANADA—ROOM 19 GRADE 3/4

Provincial Government Buildings in
Canada

Province: British Columbia

Building name: Parliament Building of BC

When it was built: 1893/1897

Architect: Francis Rattenbury

Interesting Facts:
in Victoria cost was \$500,000
Style Neo-baroque from lawn as well the British Columbia Legislature cenotaph commemorating the province's world war I, world war II, Korean war and Afghanistan war dead.

This month we have been doing an in-depth look at government and leadership here in Canada, Manitoba, and Winnipeg. We learned about the leaders of our federal, provincial, and municipal governments and what those jobs entail. Our class studied the provincial legislatures of Canada which we researched and subsequently made detailed illustrations of. On February 12th, our class, along with Ms. Wakula's class, went on a field trip to the Manitoba Legislative building. This gave us the chance to learn more about our provincial government and the building it works out of. Highlights of our tour included the main entranceway, where we met the two bison statues Mani and Toba, and the Chandelier Room where we saw portraits of King George V and his daughter, Queen Elizabeth II. We were also shown the Chamber, where all of our MLAs sit, and the Rotunda, which features a star on the floor of the room below, that seems to move as you walk around it.
