Our Family Literacy Night was such a success! Thank you to all of the families that attended and helped us celebrate our student's learning.

PHYSICAL EDUCATION NEWS

MIDDLE YEARS:

Basketball – Congratulations to all our Elwick basketball teams on a terrific season. Some of our teams got to finish the season with a Jamboree at the Sport for Life Centre where they all had a lot of fun. A big thank you to our coaches: Ms. Jessi, Ms. Everall, Ms. Deprez, Colton and Braden for all their help this year.

Badminton – We have been developing some of our skills in class. After school mini-tournaments will begin in April. Students are encouraged to sign up if they are interested in playing.

EARLY YEARS:

3 on 3 Basketball – Some of our grade 5 students took part in our Divisional Jamboree in February. The students all had a lot of fun using their dribbling and shooting skills on this day.

Badminton – Our grade 5 divisional tournament takes place on March 18th at the Sport for Life Center. Thank you to some of our grade 7/8 students that will be joining us to help us out on that day.

SISTEMA NEWS!

On Sunday, February 2nd, Sistema Winnipeg brought their music and their excitement to St. John's College at the University of Manitoba, for a fundraising concert alongside U of M music students. They performed side-by-side to a packed house, playing crowd favourites such as the The Orchestra Song and Hunters' Chorus, and new favourites like Winter Song. This performance was special because they got a taste of what it's like to play with an experienced adult orchestra, and they rose to the occasion, displaying professionalism and musicality.

Sistema hosted Family Night at Elwick School on Wednesday, February 26th. Mozarts performed more complicated rhythmic and melodic passages on their instruments while Beethovens performed beautiful fiddle and orchestra pieces. We finished off with a French choir piece called J'entends le Moulin, which impressed our friends and families. We were also excited to welcome our new principal, Ms. Lorelei Bunkowsky, to her first of many Sistema Family Nights!

We have been seeing so much growth and maturity from all our Sistema students. We are excited for the next opportunity to share our music with you at our Spring Concerts! Please see the next page for details.
