Report Cards & Virtual Conferences

Term 2 Report Cards will be uploaded to Parent Connect by the end of the day on Tuesday, March 16th. Please take the time to read and celebrate all the learning that has taken place with your child.

Parent-Teacher-Child Conferences will be virtual again. They will take place on Thursday, March 18th (evening) and Friday, March 19th (day). Your child's teacher will be providing more information on how to access your virtual meeting in the days to come. We look forward to connecting with you for this important celebration of learning.

COVID-19 Updates

As the province continues to update COVID-19 protocols, we are following procedures as laid out by Public Health and Manitoba Education. If anyone in your household is determined to be a positive case or a close contact, Public Health will provide guidance, including how long to isolate and when it is safe for children to return to school. The school will cooperate in contact tracing and follow Public Health guidance when communicating with the community. We continue to follow all safety measures at school including hygiene, disinfecting surfaces, masks, physical barriers, cohorts and encouraging physical distancing as much as possible. Thank you for doing your part to help keep everyone safe.

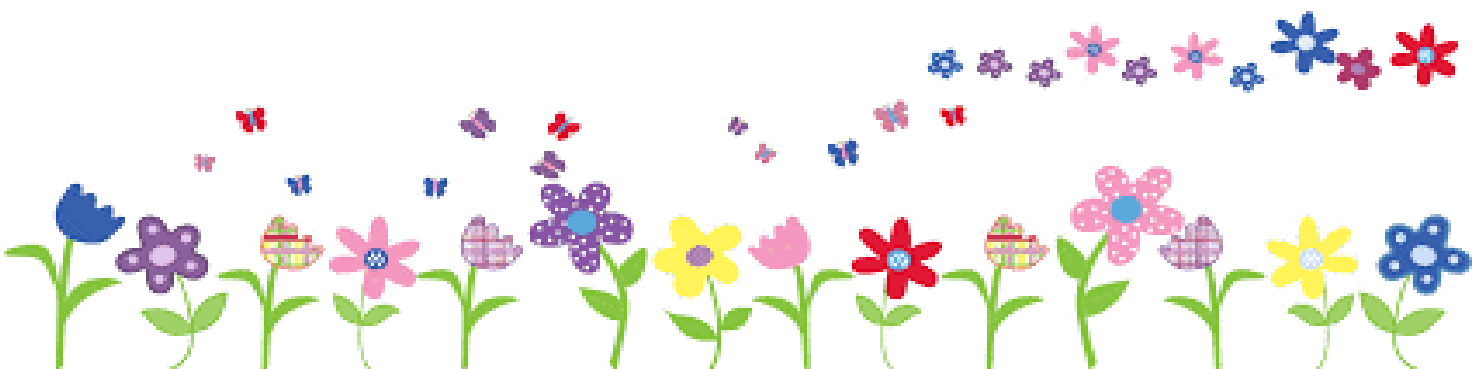

Signs of Spring...

We are heading into March with some warmer temperatures. This means more outdoor fun, but can also mean melting and freezing temperatures, which has already created some icy and slippery areas outside. Our custodial staff continues to clear snow and sand high-traffic areas. Some of our access paths from side-streets have a build-up of snow and ice and we are inquiring with the city about having these cleared. In the meantime, we encourage you to be cautious and take an alternate route to the school if needed. Safety First! With luck, the snow and ice will melt away soon and we'll be enjoying some beautiful Spring temperatures.

Parents are reminded to drop off children on side streets, where there are entrances to the school grounds, or park on a side street and walk down Morrison St. Please do not use Morrison St. for drop offs in the morning or pick ups at 3:30pm. This keeps our kids safe and allows school bus traffic to move through smoothly. Thank you for your cooperation. Please be aware that The City of Winnipeg Parking Authority frequently monitors the "no stopping" zone in front of the school and will issue tickets.

The last day of school before Spring Break is Friday, March 26th, 2021. School resumes on Monday, April 5th.
