## March 2024 Newsletter

Dear Collicutt Families

As we head into the spring, we want to remind all of our families that The City of Winnipeg Free Play program is still running in our gym every Monday and Wednesday from 5:30 p.m. to 6:45 p.m. This is a free of charge program that gives our students an opportunity to be active and have fun. We also want to thank all our students for the amazing performances they treated us to this past month at our Music Concert. It was great to see our community come together in such high numbers. A big thank you to our Music teacher, Ms. Lees, for her vision behind the concert.

It was nice connecting with all of our families on the Celebration of Learning days this past Thursday and Friday. We are all looking forward to an exciting term 3 filled with learning and fun!

Should you have changed your home address in the last 6 months, please let the school know. You can go online to your Parent Connect and check your child's current information we have on file. We need to have an updated information as soon as possible.

## Manitoba Children's Museum

What a fun field trip!

We learned about needs vs. wants, we got to dissect owl pellets and discover what they ate and we explored the exhibits with our friends!

# Music

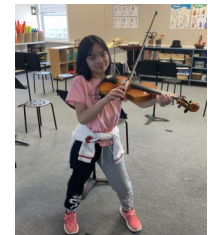

Congratulations to all the students on an amazing music concert. They should all feel very proud of their musical accomplishments.

In April, the Grade 4/5 students will have the opportunity to go see the Winnipeg Symphony Orchestra. They are presenting a concert entitled "Bach to the Future" which features "orchestral music by many of the great composers throughout time and from across the globe." It is sure to be an exciting concert and we are preparing by learning about the music we will hear.

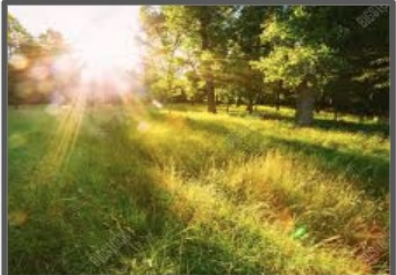

Save the date for our Fiddle Night! All students in Grades 3 to 5 will be performing. It is Thursday, April 25 at 6:00 p.m. in the Collicutt Gym.
