

We acknowledge that our water is sourced from Shoal Lake 40 First Nation. We are gathered on Treaty One land, les terres sur lesquelles nous sommes rassemblés aujourd'hui font partie du territoire traditionnel des personnes Anishinaabeg, Ininiwak, Anishiniwak, Dakota, et Déné, et de la patrie de la nation métisse de la Rivière Rouge.

We stand with the Indigenous community and commit to building an ongoing process of reconciliation, collaboration, and resurgence. Nous restons déterminés à travailler en partenariat avec les Premières Nations, Inuit et Métisses dans un esprit de vérité, réconciliation et collaboration.

Congratulations to our Indoor Track Team on an outstanding performance at the High School Series Championship Meet! The team demonstrated incredible effort with many athletes achieving personal bests. Highlighting some of the results, we had bronze medal performances from the Junior Varsity Girls 4x200m relay team and Nathaniel Walker in the triple jump. Bringing home silver medals were Evan Dillabough and Mackenzie Elko in the 400m, and leading the way, our Junior Varsity Boys captured gold in both the medley relay and the 4x200m relay. Overall, it was a fantastic team effort and a great way to represent our school. Congratulations to all athletes on a successful indoor season!
