Dear Forest Park School Families,

We are approaching the end of another successful school year, and do we ever have a lot going on in the next few weeks! Next week our students will be performing in Arts in the Park, which returns to its original home at Kildonan Park. The first week of June we celebrate Pride, with our GSA student group planning some fun theme days to remind us that we all belong here. That same week we have our 17th Annual Grad Pow Wow celebration where we are always well represented by our student participants. If you have never attended a Pow Wow, this one is pretty remarkable! Mr. Ens will be hosting his famous Waterpoolza to help keep the students cool while also participating in fun water activities and during that same time our Grade 5 Leadership Students will be organizing Tabloid Day fun. We also have our Whole School Field Trip to Bunn's Creek/Gateway Community Club the same week as our School BBQ and Grade 5 Farewell. Sprinkled in with all of those adventures are classroom field trips, projects, outdoor exploration. Like I said, June is very busy around here!

If you are moving over the summer, please let us know. We need to update your address in our system. If your child will be going to a different school, please phone Barb in the office to let us know. We are in the midst of creating our new classroom communities for next year with thoughtful consideration to their composition.

Mrs. Uskalo would like to lead our Roots of Empathy program next year. We need you and your baby!!! If you will have a baby age 2-4 months in October, 2026 and would like to become our Roots Family, please contact Charlotte Uskalo for more information.

Important Upcoming Dates:

May 27: Arts in the Park Kinders	June 5: School Pd; no school
May 28: Arts in the Park 1-5's	June 12: Tabloid Day
June 1-4: Pride Spirit Week	June 24: Whole School Field Trip
June 3: Pride Community Walk	June 25: School BBQ & Grade 5 Farewell
June 4: Grad Pow Wow	June 30: Last day of school; early dismissal

It's a good idea to be sure your child has a full bottle of water for school each day and outdoor runners. Sandals can be a safety concern when running and other physical activity is involved. And if possible, protect them from the sun with sunscreen, a hat and sunglasses.

Take care of yourself, each other and this place.

Sincerely,

Tanya Kohut
Principal
