Dear Parents:

West St. Paul teachers and students are in the midst of planning for the upcoming year. Currently we are looking at booking activities for February Winter Activity Days. Due to their popularity we are looking at the following activities with the **estimated costs** of:

### Option 1

- Winter fun at **The Forks** (Feb.16) FREE
- AND
- Skating, hockey, and soccer at **Gateway** Recreational Complex (Feb. 17)

### Option 2

- A 2-night, 2-day ski trip to Asessippi (Feb. 15-17) Min. 45 people
  - Snowboarders renting equipment \$285.00
  - Skiers renting equipment \$275.00
  - Skiers & snowboarders with their own equipment \$250.00

At this time we are asking students to discuss these options with their parents and guardians and to make a decision as to which activity they would like to attend. Please return the bottom of this form with the deposit required for the activities chosen by December 7th.

All school activities are offered to every student and are seen as a regular school day, offering students an experience not possible within the school building. As always, on these field trips student conduct should reflect the values of West St. Paul School.

~~To be returned by December 7th.~~ **Extended deadline to January 16, 2017**

**I (parent/guardian) am interested in attending a Parent Information Evening to discuss and gather information regarding West St Paul's Annual Ski Trip.**
