École Constable Edward Finney School Newsletter

Dear Finney Families,

In September many of our Grade 5 students were trained to be street and bus patrols.

Thank you for your help in keeping an eye out for our patrols, as you come and go from our school. They are a dedicated group of students and they take pride in their leadership role!

Also, thank you in advance for respecting our reserved, accessible parking spots within the parking lot. People in our community rely on having these spots available to them when they visit our school.

Please remember that you are always welcome to contact classroom teachers or either one of us with any questions related to your children and any school activities. Please do not feel that you need to wait for the official reporting period or conferences next month.

Enjoy the beautiful autumn colours!

From the Office

Picture Day will be Tuesday October 21st! Bring your smiles!!!
Retakes will be Thursday November 27th.

If your child is not going to be at school for any reason (sick, late, vacation, etc.), please contact the office at 204-694-8688 or email constable.finney@7oaks.org. If you will be taking an extended holiday (more than a few days), we require **an email** with the date range.

Please remember to include utensils when packing snacks and lunches for the students.

It is getting cooler out; please remember to dress for the weather—mitts, toque, neck warmer, warm coat, rubber boots.

On September 29th, our school community came together to observe Orange Shirt Day, a day dedicated to honouring the survivors of residential schools. This occasion encouraged us to reflect on our shared future, emphasizing that every child matters. Throughout this time, our classes have engaged in meaningful learning about the history and impacts of residential schools.

Physical Education News

October Newsletter

Finney athletics is off to a flying start!

All students in Grades 1-5 took time to learn about Terry Fox, his admirable characteristics, and his contribution to cancer research. As a school, we completed our own Marathon of Hope and showcased determination and a “can-do” attitude, just like Terry. Our school raised over \$645 for this important cause. Thank you for support!

Our Finney Cross Country Team consisted of 25 students in Grades 4 and 5. These athletes practised as a team during September and proved their fantastic Finney abilities during the divisional event on October 1st. Congratulations to these students on their grit and fortitude during practises and at the big race.

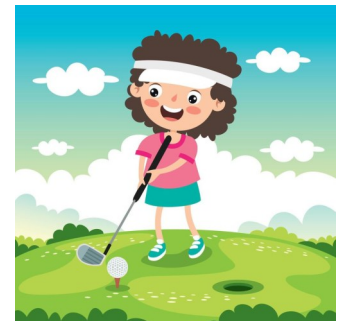

Finney intramurals kicked off with an indoor soccer tournament for students in Grades 3-5. There were 14 teams participating across the school with the Super Strikers clinching the win.

Team Flag Football will be offered to our Grade 5 students this year. Practises begin in early October culminating with a divisional tournament in November.

A gentle reminder to please check that your child has clothing appropriate for vigorous activity inside and outdoors.

Why do golfers take an extra pair of socks with them?
In case they get a hole in one!

October 30, 2025

Dear Parents and Guardians,

To help children be safe – and seen – this Halloween, Manitoba Public Insurance is pleased to provide wearable light flashers to all trick-or-treaters from Kindergarten through to Grade 6.

Road safety is important every day of the year, but Halloween presents unique challenges as large numbers of children are on community streets after dark.

Please keep your ghosts and goblins safe this year by using their wearable light flashers, and by following these important road safety reminders:

- Look in all directions for traffic before crossing the street.
- Never cross between parked cars.
- Always walk – never run – across the street.
- Take care when crossing at traffic lights and stop signs by waiting for vehicles to come to a complete stop and making eye contact with drivers.
- Remember that cars cannot stop quickly in wet or icy conditions.
- Be cautious of masks that may obscure your child's vision.
- Be cautious with dark costumes that may be difficult for drivers to see.
- Consider walking with your children or have them travel in groups.

Thank you for helping to make this a safe and happy Halloween.

Sincerely,

À tous les parents et tuteurs,

Afin d'aider les enfants à être en sécurité – et vus – en cette fête de l'Halloween, la Société d'assurance publique du Manitoba est heureuse de fournir des clignotants portatifs à tous les enfants qui iront sonner aux portes, de la maternelle à la 6e année.

La sécurité routière est importante tous les jours de l'année, mais l'Halloween présente des défis uniques, car un grand nombre d'enfants sont dans les rues de la communauté après la tombée de la nuit.

Nous vous prions de bien vouloir garder vos fantômes et vos lutins en sécurité cette année en utilisant leurs clignotants portatifs, et en suivant ces rappels importants de sécurité routière :

- Regardez dans toutes les directions pour la circulation avant de traverser la rue.
- Ne traversez jamais entre des voitures stationnées.
- Marchez toujours – ne courez jamais – pour traverser la rue.
- Faites attention de traverser aux feux de circulation et aux panneaux d'arrêt – attendez que les véhicules s'arrêtent complètement et établissez un contact visuel avec les conducteurs.
- N'oubliez pas que les voitures ne peuvent pas s'arrêter rapidement dans des conditions humides ou glaciales.
- Soyez prudents avec les masques qui peuvent obscurcir la vision de votre enfant.
- Soyez prudents avec les costumes sombres qui peuvent être difficiles à voir pour les conducteurs.
- Envisagez de marcher avec vos enfants ou demandez-leur de se déplacer en groupe.

Je vous remercie de contribuer à faire de cette fête une fête d'Halloween heureuse et sûre.

Cordialement,

Maria Campos

***No Permit?
No Fireworks.***

You must have a permit to set off fireworks within the city of Winnipeg.

You can receive a \$500 ticket if you set off fireworks without a permit.

To be eligible for a permit you must:

1. Be 18 years or older.
2. Have 100 feet of clearance from all buildings and trees.
Most private properties in Winnipeg do not meet this need.
3. Have written consent of the property owner.

If you are setting off fireworks as part of a City park rental, you also need a fireworks permit.

Firecrackers, which are loud, explosive fireworks, typically wrapped in paper and lit with a fuse, are illegal in Canada.

For more information visit
winnipeg.ca/fireworks.

***Pas de permis?
Pas de feu
d'artifice.***

**Vous devez détenir un permis pour allumer
un feu d'artifice dans la ville de Winnipeg.**

Vous pouvez faire l'objet d'une contravention de 500 \$ si vous allumez un feu d'artifice sans permis.

Pour être admissible à un permis, vous devez :

1. avoir au moins 18 ans;
2. prévoir 100 pieds de dégagement par rapport à tout bâtiment ou arbre (la plupart des propriétés privées de Winnipeg ne répondent pas à cette exigence);
3. avoir obtenu le consentement écrit du propriétaire.

Si vous allumez un feu d'artifice lors de la location d'un parc municipal, vous avez également besoin d'un permis de feu d'artifice.

***Les pétards sont des feux d'artifice
bruyants et explosifs qui sont normalement
enveloppés dans du papier et dont on allume
la mèche. Ils sont illégaux au Canada.***

FAMILY FRIENDSHIP PROGRAM

Is it your passion to help people?

Would you like to be a mentor to newcomers towards their successful settlement journey here in Canada?

We are looking for volunteer host families to join our Family Friendship Program

What is it like to be a Family Friend?

- You will be matched with a newcomer family
- You will share friendship (share the same activities like do a hobby together, share a meal together, explore the city together)
- You and your newcomer family friend can also be buddies in attending SOIS organized activities
