

We acknowledge that our water is sourced from Shoal Lake 40 First Nation. We are gathered on Treaty one land, les terres sur lesquelles nous sommes rassemblés aujourd'hui font partie du territoire traditionnel des personnes Anishinaabeg, Ininiwak, Anishininiwak, Dakota, et Déné, et de la patrie de la nation métisse de la Rivière Rouge.

We stand with the Indigenous community and commit to building an ongoing process of reconciliation, collaboration, and resurgence. Nous restons déterminés à travailler en partenariat avec les Premières Nations, Inuit et Métisses dans un esprit de vérité, réconciliation et collaboration.

Friday Announcements – November 14

Day 3

Today's community land acknowledgement is from Ms Mercer's grade 11 Advocacy class (readers: Shaye and Zack): We would like to acknowledge that we are gathered on on Treaty 1 Territory and are guests on the shared, traditional lands of the Anishinaabe, Cree, Dakota and Dene, as well as the Denesuline and Nehetowuk Nations. We also acknowledge that Manitoba is located on the Homeland of the Red River Metis. In our class, we have people from many different backgrounds, including Filipino, Indian, Vietnamese, Hungarian, Ukrainian, Polish, Russian, Cree, and mixed ancestries and we are all guests on this land. Some of the ways our class benefits from this land include: • Water that comes from Shoal Lake 40 • Wildlife • Green spaces and greenery • Plants that grow our food Our class is committed to showing appreciation to this land by: • Keeping it clean • Learning about its history • Respecting it • And taking care of it So that everyone who comes after us can continue to love and enjoy this land.

Retailing 30S Hello everyone, just a reminder that your retail class is selling your school merch only till November 20th so come on down to the commons next week as that is your last chance to buy your merch.

Attention Indigenous grade 12 students – the University of British Columbia will be presenting information about their programs, campuses, admissions, financial planning and services for students TODAY at 11 a.m. in the library. See Ms. Kurbis if you would like to attend.

Congratulations the JVG volleyball team on a massively successful season. The first finished 4th in league while making a huge playoff push defeating Springfield in quarters, the undefeated Selkirk Royals in the semis and advancing to the finals against the Kodiaks last night. Unfortunately, the girls

lost in 4 last night, but played with heart and grit. The girls are now in the hunt for a wildcard for provincials. Good luck!

We had such a great turnout to our Scholarship Information session on Wednesday that we are going to host another session this Tuesday at lunch. If you attended the session this week, you do not need to come to the second session; this is repeated information not anything new. So... if you were not able to attend this week, please join us next Tuesday at lunch. Location to be announced. The resources shared will be made available through the Grad 2026 classroom and through Grade 11 and 12 Advo teachers.
