We acknowledge that our water is sourced from Shoal Lake 40 First Nation. We are gathered on Treaty One land, les terres sur lesquelles nous sommes rassemblés aujourd'hui font partie du territoire traditionnel des personnes Anishinaabeg, Ininiwak, Anishininiwak, Dakota, et Déné, et de la patrie de la nation métisse de la Rivière Rouge.

We stand with the Indigenous community and commit to building an ongoing process of reconciliation, collaboration, and resurgence. Nous restons déterminés à travailler en partenariat avec les Premières Nations, Inuit et Métisses dans un esprit de vérité, réconciliation et collaboration.

Day 6

Do you enjoy being creative, trying new things, and working with others? We're looking for about 25 student volunteers for the 2nd Divisional Kinship & Care Student Showcase on December 9 at the Canadian Museum for Human Rights! Lunch will be provided! You'll help lead fun, hands-on activities like weaving, beading, origami, and portrait collages for visiting middle years students. You'll also help spark conversations about human rights, justice, equity, and change. No experience necessary! Training will be provided, and you'll earn volunteer hours. To sign up, see Mde. Smith in Room 221 West or Ms. Sauler in Room E104A. Bring a friend and join us!

Hey Garden City! Come support "Crusts for Cancer", our pop-up pizza sale happening at lunch in the Commons this Wednesday, November 18th! Grab hot pepperoni or cheese pizza for just $2.50 a slice. Need a drink? We've got pop for $1.50. Or, get our best deal: the combo with two slices and a drink for only $5.50! Best of all, 100% of profits go to CancerCare Manitoba. Get there early before we sell out.

The Canadian Armed Forces will be here tomorrow in room W105 at 11:45 for a presentation about paid education plans, employment opportunities and basic training. If you'd like to know more, please attend.
